COMMUNITY MANAGER’S REPORT: (J. Snyder)

On March 1, 2023, Management presented the Board with a recommendation to purchase three (3) pumps and motors and was approved by the Board on April 5, 2023. Unfortunately, by the time the order could be placed, there was a price increase from when it was originally quoted. W.B. Drilling’s original quote was \$9,185.33 and has increased to \$10,470.42. Management did contact the companies who originally submitted bids. Zoro is out of stock and Grainger cost is \$11,677.71. Management is recommending to rescind the previously approved motion from April 5, and approve the purchase of three (3) pump and motors from W.B. Drilling at a cost of \$10,470.42. The funds to meet this expense will be provided by account #3260 – Capital Replacement/Irrigation-Well Motors. *E. Murphy moved to rescind the motion from April 5th and approve to purchase the three (3) pump and motors from W.B. Drilling for a total cost of \$10,470.42. The funds to meet this expense will be provided by account #3260 – Capital Replacement/Irrigation-Well Motors. T. Hardman seconded. There was no discussion and a vote was called. All were in favor. Motion carried.*

As you are aware, the United States Postal Service (USPS) will no longer replace cluster mailboxes. It is now the community’s responsibility to replace these boxes at the Association’s expense. There has become a need to move forward and replace two mailboxes that are in very poor condition. Management went out to bid to obtain the costs associated with purchasing two (2) 16 mail-slot cluster boxes. The following is the pricing received with tax and shipping included;

Vendor	Two (2) 16 Box Cluster Box
Mailbox.com	\$4,392.95
Mailbox Works	\$4,406.03
Direct Mailboxes	\$4,518.23
National Mailboxes	\$4,285.15
LPCM	\$4,369.72
Budget Mailboxes	\$4,547.51
Global Ind.	\$5,659.55

Management is requesting Board approval to purchase two (2) 16 box cluster mailboxes from National Mailboxes for a total cost of \$4,285.15. The funds to meet this expense will be provided by account #3230 – Capital Replacement/Common Buildings. The Board will vote on this at the next open Board meeting on June 7, 2023.

Part of the approved Azek project is replacing the unit’s gutter system with new 6” gutters and replacement leaders. During this year’s cycle, the Association will be replacing the gutter systems on 50 units. The average cost per unit is \$800.00. Management is requesting Board approval to replace the gutter system on fifty (50) Azek units for a cost of \$40,000.00. The funds to meet this expense will be provided by account #3270 – Capital Replacement/Roofs. The Board will vote on this at the next open Board meeting on June 7, 2023.

UPS has tentatively approved to place a drop box in the Village for residents only. The Board will vote on this at the next open Board meeting on June 7, 2023.

Updates were provided on the Willow Pergola replacement and the Club Encore pool renovation.

The Bocce courts will begin in September.

Residents should report any damage to their units to the Maintenance Department. Insurance claims could be denied for neglect if not reported in a timely manner to the Association.

For the Village to comply with HUD’s regulatory requirements for the age verification of residents, the Association is requesting all residents to fill out the age verification form that is posted on Frontsteps and available at the Association office.

The Club Encore kitchen is being installed.

Part of the original plan to renovate the Club Encore patio is to replace the patio furniture. A sub-committee was made up to develop the furniture needs for the patio. With that plan in mind, Management went out to bid for the table and chairs needed for the patio. These are in a two-tier category based on the quality of the furniture.

Tier One Vendors	Total	Notes
The Wickery	\$48,365.10	Same vendor as firepit furniture
Premium Poly Patios	\$50,364.67	
Amish Yard	\$56,922.38	
Dutch Crafters	\$62,637.56	

Tier Two Vendors	Total	Notes
King's Home Furniture	\$33,650.76	
Pollywood	\$44,025.75	No balcony HT

Management is recommending to purchase the tier-one quality furniture from The Wickery for a cost of \$48,365.10. The funds to meet this expense will be provided by account #3150 – Property Fund. Upon recommendation from Management, *F. Weinstein moved to approve the purchase of the tier-one quality furniture from The Wickery for a cost of \$48,365.10. The funds to meet this expense will be provided by account #3150 – Property Fund. E. Murphy seconded. There was a resident comment and then a vote was called. All were in favor. Motion carried.*

Parking violations continue in the Village. There is no parking permitted on any LVW street during the hours of 2 a.m. to 6 a.m. except where 72 hours parking signs are posted. The Association will continue to ticket vehicles parked overnight on the street between 2 a.m. and 6 a.m.

Permits are required for many changes a unit owner wishes to make. There is no charge for these permits which may be obtained at the Association Office.

Pet owners must always maintain full control of the animal. The animal must always be leashed while outside of the unit. Owners are responsible for removing their pet's wastes from the common elements and units and are to place the wastes in their own garbage receptacle, not in any public receptacle or storm drain. Droppings must be picked up immediately and put into the owners' own receptacle containers. Pets must be walked in the streets (at the curb) and in such open or wooded areas not used for recreational purposes or parking facilities, or in common areas. Any pet violation will result in a \$250.00 fine.

There are four HVAC units at Leisure Fair. The first two units were replaced two years ago as phase one of the replacement plan. There is a need to replace the remaining two HVAC units. The following bids were received:

Equipment/Vendor	Brand/Model	Price

Buildings. Upon recommendation from Management, *F. Weinstein moved to contract with Renegade Mechanical LLC to install two (2) new Coleman HVAC units at Leisure Fair for a cost of \$23,031.00 and Manchester Township permits for a cost of \$400.00, for a total cost of \$23,431.00. H. Height, I.T Facilities Manager stated that the Maintenance Department must frequently diagnose underground wire breaks and broken water lines around the community and residential units. Maintenance is currently using some old and outdated detection equipment for finding some of these breaks; however, the equipment is not capable of finding many of these breaks and is due for replacement. On several occasions, Maintenance has had to call in outside companies to aid in the location of breaks. This has proven to be very expensive. Management believes it would be most cost-effective to have the same equipment these companies are using in-house, so they can diagnose and fix the problems more quickly and cost-effectively. The detection unit most used in this industry is the Radiodetection RD7200. Management had a dealer representative onsite recently to demonstrate this unit. The results were outstanding, so Management went out to bid and the bids are listed below: (quotes include tax and shipping)

Equipment / Vendor	Brand / Model	Price
Eastcom Associates Inc.	Radiodetection RD7200	\$5,049.76
Subsurface Solutions	Radiodetection RD7200	\$5,139.33
EBay	Radiodetection RD7200	\$6,930.63

Management is recommending to purchase the Radiodetection RD7200 locator kit from Eastcom Associates Inc. for a total cost of \$5,049.76. The funds to meet this expense will be provided by account #3150 – Property Fund. The Board will vote on this at the next open Board meeting on June 7, 2023.

The Board requested that Management research pricing for an ADA Chair Lift for the Willow pool. Management reached out to Millennial Pool Management for their recommendation. They are recommending an SR Smith 400 lb. capacity chair lift. Management reviewed this model as well as other brands of lift chairs. Also considered were portable models. After reviewing all options, the SR Smith offers the best mobility, safety, and ease of use. Management is recommending contracting with Millennial Pool Management for the purchase and installation of an SR Smith 400 lb. capacity pool lift.

Equipment / Vendor	Brand / Model	Price
Millennial Pool Management	SR Smith 400 lb. capacity pool lift	\$14,394.38
Carmona Pool Services	Declined to Bid	n/a
Candlewood Pools	Declined to Bid	n/a
Pool Operations	Declined to Bid	N/a

Upon recommendation from Management, *W. Steinman moved to purchase and install an SR Smith 400lb. capacity pool lift from Millennial Pool Management for a cost of \$14,394.38. The funds to meet this expense will be provided by account #3230 – Capital Replacement/Common Buildings. T. Hardman seconded. There were comments from the audience and then a vote was taken. All were in favor. Motion carried.*

UNFINISHED BUSINESS:

The next open Board meeting will be held on Wednesday, June 7, 2023 at 7:00 PM in the auditorium at Willow Hall.

There being no further business, the Board meeting adjourned at approximately 3:35 PM.

Audience Comments - May 3, 2023

Willow Hall Auditorium

A brief audience comments period followed the business portion of the open Board meeting at 3:35 PM with residents raising questions or concerns or seeking clarification about a variety of issues. For exact content, please refer to Frontsteps for the video recording of this meeting.

The following Rules of Public Comment and Participation in the Open Forum were revised as follows;

- In general, residents' questions and comments should be addressed to the interest of all residents. For resolution of personal or maintenance issues, contact the Department Manager and, if necessary, the Community Manager.
- The Open Forum is not a debating time or a time to cross-examine our neighbors serving as Trustees.
- This is an opportunity for residents to be heard but everyone is to stay civil and use respectful language while also avoiding personal attacks.
- The Open Forum will be limited to one hour but may end sooner if only a few residents address the Board.
- Residents must be present at the meeting to make a comment or ask a question and will be allowed three minutes to do so. There will be a two-minute comment or answer, if necessary, from the Board of Trustees and a one-minute follow-up question allowed by the resident.
- Maximum two times at the podium.

If a resident was unable to ask a question or make a comment, the Board may be emailed at bot@lvwa.net. Emails will be reviewed at a Board of Trustee workshop meeting. Statements and opinions of Village-wide significance will periodically be addressed at an Open Board of Trustee Meeting and/or in the Manager's Corner of the LVW News Magazine.

Resident: Patricia Tracy from 657B Pulham Court solicited volunteers for the Audio-Visual Group.

Resident: Margaret Burke from 1060A Buckingham Drive asked if the Willow pool will be heated when it is open.

Response: Yes, the pool will be heated.

Resident: Gail Lupo from 1238A Thornbury Lane spoke about how the Board meetings are proceeding in a way that is not business and provided suggestions on how to move forward.

Resident: Nancy Krahn from 1138B Thornbury Lane stated she believes it's safer to have lifeguards at the pool. She asked why card playing is not allowed in the coffee lounge, especially if the rest of the rooms are being used. She questioned the high prices for the snacks and drinks in the vending machines.

Response: The Board opted to be exempt from having lifeguards at the pool. The coffee lounge is not for playing card games and is meant for a gathering place. The costs for the items in the vending machines are set by the contractor of the vending machine.

Resident: Al DAmato from 697B Friar Court complimented the Grounds Manager for the conversion of the dump truck.

Resident: Phyllis Brown from 1195A Thornbury Lane asked if the attorney will be attending all the Board meetings since the Association is involved in litigation. She asked what the hourly rate is that the attorney is paid.

Response: No, the attorney will not be present at every open Board meeting, only when deemed necessary. Upon written request, all contracts in the Association office are available for review.

Resident: Ron Owens from 1145A Thornbury Lane announced that the Greenhouse closed on Friday and thanked Joseph Piscitelli for his hard work. He also encouraged residents to attend the memorial service program on Memorial Day at Club Encore.

Resident: Suzanne Baillie from 448B Heather Court questioned the confidentiality policy within the Board.

Audience Comments- May 3, 2022

Continued from page 14

She asked why residents are not allowed to know the salaries of employees. She spoke about voting by the Board members.

Response: The Board follows what is required by the Condominium Act and they discuss a handful of issues that are confidential, such as private issues (ADA requests, service animals, etc.), employee-related issues, negotiating contracts and pending litigation. Financial expenditures are voted on at open Board meetings. The line item for the employees is found in the financials, but the actual employee files of what individuals are being paid is confidential. Board members can vote any way they wish, but once the Board makes a decision, it should be supported by the entire Board.

Resident: Joseph O'Neill from 937C Liverpool Circle asked how many accounts the Association has. He asked why the Association requires permits for electrical, plumbing, etc. if the Township requires one and has already inspected the work.

Response: There are several Reserve accounts and many accounts within the operating account. The Association permits make sure that the contractor is insured, Manchester Township permits were issued and other requirements permitted by the Association.

Resident: Dorothy Miller from 9B Cambridge Circle asked for clarification that Clubs are allowed four fundraisers and that the committee is looking to revise it to two fundraisers. She stated the chairs in the lobby at Club Encore need rubber feet.

Response: The committee is reviewing the Rules Governing Clubs and Groups. The Recreation Director will address the chairs at Club Encore.

Resident: Gail Dylewski from 908A Stratford Court spoke about the importance of getting permits from the Association.

Resident: John Joyce from 9B Cambridge Circle reported that the lights flicker in the auditorium at Willow Hall during the Board meeting.

Response: Management will address.

The meeting ended at approximately 4:07 PM.

CANDIDATE FORUM

WILLOW HALL
FRIDAY, JULY 21, 2023 7 P.M.(EDST)
Broadcast live on Fios Channel 974

ELECTION DAY IS
THURSDAY, AUGUST 31, 2023.

WE MUST REACH QUORUM – PLEASE VOTE!

Happy Fourth of July/Independence Day to all. It is a day filled with family, friends, barbecues, fireworks, sun, and fun; however, let's never forget the true meaning of this day. We celebrate our freedoms and thank the men and women who have served our country to bring us these freedoms we enjoy.

Resident Gate Entry: Our resident gate entry system is set up to enter one vehicle at a time. Please allow the gate to cycle before proceeding. This will delay your entry by only seconds; however, it could save the expense of the gate coming down on your vehicle, causing damage.

Parking: The Association continues to do regular parking sweeps for overnight parking. The Board has tasked us with coming up with some additional 72-hour parking throughout the community. You may have noticed some of these in your area. With that being said, all 72-hour parking is not for the storage of vehicles; it is intended for additional parking. These vehicles must be moved within 72 hours.

Trustee Elections: Elections are coming soon. Please vote.

Quote of the Month.

“Do not regret growing older. It's a privilege denied to many.” – Unknown.

TO: All Leisure Village West Unit Owners
RE: Association Insurance Program
DATE: April 15, 2023

Following is a brief outline of the property insurance carried by your association as written through Philadelphia Indemnity Insurance Company:

In accordance with your association's governing documents, all buildings comprising Leisure Village West Association are insured on an "Original Specifications" basis with a Replacement Cost valuation provision. Put simply, this means that each unit is covered in its entirety in accordance with the builder's original specifications subject to the policy limit (less any applicable deductible). Deductibles are applied on a per occurrence basis (currently \$10,000) as well as a \$5,000 per unit Ice Damming Deductible. Coverage is written on a "Special Perils" basis meaning that all perils are covered except those specifically excluded such as (but not limited to) Flood, Earthquake, Nuclear Accidents, and War. (Additional coverage may have been purchased to delete one or more of these exclusions.)

While very broad in scope, the association's master policy is not intended to cover personal property, loss of use (temporary rental assistance), loss assessment, upgrades or improvements made by any unitowners (past or present), or their personal liability. In light of this, it is highly recommended that each owner and/or tenant consult with their insurance professional and provide them with the above information when determining their personal insurance needs. If desired, our office would be pleased to provide you with a competitive quotation. You may reach us by calling (732) 738-5500 or emailing us at info@mitchellinsservices.com.

Finally, please remember that all claims must be promptly reported to the management office.

PEDESTRIAN SAFETY

The nice weather is here, and we want everyone to enjoy it in a safe manner! Walking is a great activity and a great way to stay fit. However, it can also be dangerous. The following are helpful tips while walking:

- Walk on sidewalks or paths and always cross at the corner, within marked crosswalks.
- Look left, right and left again before crossing and be on the lookout for turning vehicles.
- Continue to look for vehicles while crossing.
- Make eye contact with the driver before crossing in front of a vehicle.
- If at all possible, do not walk at night or during bad weather such as rain, snow or ice.
- Drivers are reminded that the speed limit on ALL Leisure Village West streets is 25 MPH. ALWAYS slow down when approaching a crosswalk and STOP when there is a pedestrian entering a crosswalk. Do not go around a vehicle that is stopped at a crosswalk.

Helpful Seasonal Tips From The LVW Nightingales

By Pam Cofinas

Summer is upon us at Leisure Village West. June has already had days in the 80s and 90s. So, we suggest:

- Limit exposure to the sun to 2 hours between 10 a.m. and 2 p.m.
- Liberally apply sun protection about 15 minutes before exposure to the sun.
- If using spray; do not spray directly onto the face. Spray into your hands then apply the sun protection to your face using your hands.
- Reapply sun protection after swimming, working or exercising every 2 hours for best protection.

Have a fun summer!

LVW Golf & Social Club

By Pat Murray

As always, our golf season hit the ground running. In April, we welcomed 14 new members. We took a walk down memory lane by watching a slideshow of pictures of all the fun we had in years past. Boy, we looked good! Speaking of looking good, you will see our members around the Village sporting our new golf shirt. Iris Planamento spearheaded this project.

Some of the winners from our recent outings at Golden Pheasant and Cream Ridge were Greg Prelich, Joe Durham, Frank Armstrong, Mike Mulshine, Mike Mercer, Marianne Merwede, and Shirley Gnizdowski. Bob Nigro heads this committee.

Mike Mercer reported that the bi-monthly inside men’s tournaments are well-attended.

Congratulations to Barbara Corrigan and Gloria Scappatore for each getting a hole-in-one. They received awards.

We all enjoyed golf bingo at our May meeting, conducted by Cindy Simon, followed by dessert. The ladies got a rose for Mother’s Day.

The Memorial Day mixer was held on May 27. Anna Horn will publish the winners soon.

The ladies are looking forward to their luncheon at the Clarion, and we all will dress up in costume for the grand Murder Mystery night on August 18. Tickets are available to all. They are \$32. Dinner included. Call Cindy Simon at 973-641-0900 or Pat Hansen at 973-670-9223.

Come out to our meetings on July 12 and August 9 and join the fun. We’ll save a seat for you!

At the last meeting of the Italian American Social Club, President Rae Tutella introduced our guest speakers from the Pinnacle Federal Credit Union; manager Jaime D'Auria and customer service representative, Debbie Rivoli.

The subject spoken about was fraud. Common types of fraud are check, letter mail, packages delivered and e-mail. We all need to be very careful and keep alert. They were happy to answer questions from the members.

It is always a pleasure to be entertained by Lou Abatto. His varied selection of music is for everyone. There were many line dancers who attended and enjoyed his renditions of recordings. We have some very good line dancers!

All are welcome to attend our July 17 meeting. Meeting begins at 7 p.m.

Doors open at 6:30 for check-in or registration.

May you all enjoy a Blessed Fourth of July in this great country, the United States of America. Cherish your freedoms!

See you then, and welcome!

Ciao, Marie

Fishing & Social Club

Summer Fishing in Ocean County Brings in Big Catches

Summer has officially arrived in Ocean County, and with it comes a surge in fishing activity. Whether you're an experienced angler or a beginner, there's no better time to cast your line and try to catch the big four: Striped Bass, Fluke, Black Seabass, and Bluefish.

Local party boats and charter boats are a popular choice for those looking to head out onto the water. The Norma K III, The Jamaica II, and The Gambler all offer full-day fishing trips with experienced captains and crews. Meanwhile, charter boats like The Sea Owl, The Mimi, and The Last Lady can be booked for private fishing excursions.

For those who prefer to fish from the shore, Island Beach, Seaside, Lavallette, and Point Pleasant Beach are all great spots to catch fish. Surf fishing is a popular option and many local tackle shops, including Grumpy's, Betty and Nick's, and Gabrielle's offer reports on the latest catches.

If you're new to fishing or looking for some guidance, the Leisure Village West Fishing Club is a great place to start. The Club meets on the first Thursday of each month in the Ceramics Room in Willow Hall at 2 p.m. They offer three fishing outings per week, including saltwater from land, party boat, or freshwater.

Overall, fishing in Ocean County during the summer months is an exciting and rewarding experience. With so many options available, there's something for everyone to enjoy. So grab your gear and get out on the water for some of the best fishing around!

For those who love seafood, but aren't interested in fishing themselves, there's a new spot in town that's worth checking out. La Reina Fish Market, located on Rt. 37 W, just past Hooper Avenue in Toms River, is a seafood lover's paradise. The market offers a wide variety of fresh seafood, including fish, shrimp, lobster, and other crustaceans. They also have a selection of prepared foods, including sushi, and seafood salads.

Recreation

When we think of Independence Day, we think of the love and devotion we feel for our country. Whether good times or difficult times, we stand as one nation. Democracy often embodies sacrifice. Many lives have been lost to keep the “Stars and Stripes” flying. We cherish our freedom and honor the principles upon which our nation was built. As we wave our flags, let us all remember just how wonderful it is to be an American. Happy 4th of July!

Enjoy the simple pleasures of summertime—fragrant gardens in full bloom, lazy afternoons, lightning bugs, summer rain, and crimson sunsets. We delight in long-awaited family visits, days at the beach, picnics, and barbeques.

Lots will be going on throughout the summer months. The monthly movie will feature “A Good Person” on Saturday, July 8, at 7 p.m. in Willow Hall.

We depart for the Tuscany Restaurant on Sunday, July 9. Located in Brick, this popular restaurant is a resident favorite.

We welcome back DJ Amanda to our “Little Bit County, Little Bit Rock n’ Roll,” Pool Party on Tuesday, July 18, at the Encore pool. See our ad for the exciting details.

Showtime on July 22 will feature a cutting-edge concert featuring NYC3. New York City’s hottest male vocalists perform songs and remixes from the last decade. Staged and choreographed, their charisma electrifies the audience throughout the show.

An LVW first.... Bingo at the Pool on Monday, July 31. All of the exciting games will be enjoyed poolside! Don’t miss this fun event. Please refer to

the flyer in this issue for all of the details.

We welcome back “Grandkids Day” on Saturday, August 5. This free event will be held in Willow Hall from 1 – 4 p.m. The little ones will be entertained by DJs Daniela and Christine. The day will include games, prizes, music, dancing, cotton candy, jewelry making, ice cream, a TV demo, a photo booth, a model railroad display, and fishing at the lake.

Mark your calendars for our Polynesian Extravaganza at the Willow Pool on Wednesday, August 16.

The Polynesian show is an action-packed nonstop review of dances from Hawaii, Tahiti, Samoa, and New Zealand. Pulsating drums and fire knife dancers round out the show. Shake your hips at the Hula Contest. Performers will be available for photos with residents following the performance.

Additional information will be forthcoming and tickets will go on sale in August.

Scheduled summer Recreation trips include Yankee Stadium on August 24, The Spirit of Philadelphia Brunch Cruise on September 10, and the Broadway hit show “Shucked” on September 20. Tickets are on sale now.

The week of the game, your electronic ticket will be delivered to you as an e-ticket on your mobile device. This e-ticket will be scanned at the entrance at Yankee Stadium for your admittance. 2 p.m.: Showtime! Shucked is the hilarious new musical fable about an unlikely hero and an unforgettable battle for the heart and "soil" of a small town. For generations the good people of Cob County have lived in relative obscurity, separated from the outside world by rows and rows of corn. When their tightly-knit community is threatened with extinction, someone must step up and step out to save their way of life. This corn-fed, corn-bread American musical comes to Broadway with a bushel full of laughs, a crop of great songs, and more than a few kernels of wisdom. This delightful musical has been nominated for nine Tony Awards.

No Refunds Given – If you are unable to go on this trip, the Recreation Office will attempt to resell your ticket if the bus is sold out and there is a waiting list.

Caregiver Canines

LIFE IS
better
with FUR
BABIES

There is no doubt that our pets make us very happy. Whether it be a cat, dog, bird, or bunny, our pets give us the unconditional love that most humans can't. We love our family and friends, but there is nothing like the love we receive from our furry children. At our June meeting, we had a guest speaker from Caregiver Canines. Caregiver Canines is an organization that provides furry friend company to seniors.

Caregiver Canines was started in 2009 as a visiting dog service. All dogs have been certified and insured. They match seniors to a handler and dog that provide company to those in need. These visits build self-esteem, decrease loneliness and stress in the comfort of their own home. The dogs provide the attention, joy, and comfort to those that can no longer care for a pet. You can become a volunteer! If you and your therapy dog would like to volunteer for this wonderful organization, call their office at 732-505-2273 ext. 202.

It is never too late to join the Pet Club! You don't need a pet, just your love for animals. Our major fundraiser "Dog Day Afternoon" gives us the opportunity to offer help for organizations, such as Marty's Place, Save, Jersey Shore Animal Shelter and other shelters that help and protect animals in need.

Save the Dates:

Wednesday, August 23, meeting 7 p.m., Club Encore Auditorium

Saturday, September 30, Dog Day Afternoon, 10 a.m. to 2 p.m., Club Encore Parking Lot

Sunday, November 12, Holiday photos, 1 p.m. to 4 p.m., Leisure Fair

Wednesday, December 13 – Holiday Party

We hope to see you at our next meeting on Wednesday, August 23, 7 p.m. in the Club Encore Auditorium. We will be discussing Dog Day Afternoon. Volunteers will be needed for all jobs! All are welcome! We look forward to seeing you!

Many Thanks

Thanks to all who attended our “Say It with Music” concert last month. Thanks to our director/accompanist, Andrew VanBuskirk for his patient dedication preparing us for the concert.

Thanks to Marie Kearney, our concert manager, for her expertise in handling all the arrangements associated with putting on a concert. And thanks to our president, Jeannine Pryor, for her enthusiasm in guiding this group. We also want to acknowledge our narrators, Norma Telfer and Chris Ritter, and thank them for a job well done, as well as our volunteer ticket and 50/50 sellers. We can’t forget the audio/visual folks for enhancing our production.

The chorus celebrated their success at a catered luncheon in Leisure Fair a few days after the concert weekend. Our president updated us on future projects, noting the ongoing job being done by the music committee in purging our music files under the direction of Judith Carelli-Stout. They are making room for some new, updated pieces which were acquired from a chorus known to Peg Burke. That chorus was no longer continuing and offered music to several groups. We will be featuring some of it in our next sing-along being scheduled for October. We’ll keep you posted.

For now, enjoy your summer. And remember...

*The body may age, but the spirit stays young
When there is music to play and songs to be sung!*

Helping Hands Club

By Joan O’Connor

Hello residents of Leisure Village West, July is here with flags flying! We would like to welcome all new residents in Leisure Village West. We’re a volunteer service that lends out equipment for your needs. To reach us, please call the number above, leave a message with your address and phone number so we can call you back. We do have a list of services we can provide for you. These jobs are listed in Willow Hall, the papers are in slots along the wall; one side lists services our volunteers are able to help you with and the opposite side explains what we cannot do. Many people do use our equipment, so we now have started to label the wheelchairs and rollators with a phone number for returns.

We, at the Helping Hand Club, would like you to know our efforts and sincere concerns are always for our residents. We attend meetings once a month and consistently look for better ideas to serve you. We know how important our services are and how much they are needed.

Thank you for your support and donations. Thank you to all our volunteers and coordinators for your time, driving and organizing. Your dedication is so much appreciated.

“Summer Fun”

Summer is here and the fun continues. The Spring Leagues have wrapped up another fun season and our “Traveling Team” is doing well! We will have league status updates in next month’s magazine, along with the winners from our mixed league playoffs.

On June 17, we held our “**Woodstock 2023**” picnic and celebration on the Club Encore patio area. This awesome event provided us with great food, fun and three great bands! Seeing everyone in their tie-dyed shirts brought back awesome memories from the ‘70s. Pictures will be forthcoming in next month’s magazine. Thank you, Alex, Rob and the Executive Board for providing the community with lots of fun celebrations! Your hard work is greatly appreciated.

Save the Date for Special Event Play on the Bocce Courts:

- Battle of the Sexes – July 7
- Dime on the Pallini – July 14
- Midnight Madness – July 21

During July, we will be taking a break from play while we wait for the new bocce ball complex to be built. Once completed, the bocce leagues will resume with the excitement of playing on new renovated courts. The first scheduled game will be a tribute to our 70 and over age members. We look forward to our new and improved bocce courts. To date, the date of completion is not available.

We are grateful to all our members, past and present, who have shared their knowledge, skill, sportsmanship, and camaraderie, as their contributions have made the Bocce & Social Club what it is. See everyone at the next Bocce meeting on Monday, July 3 at 7 p.m. in Willow Hall.

Irish American Club

By Linda Gomez

Do the Irish celebrate the Fourth of July? Just as Americans love St. Patrick’s Day, so do the Irish come out to mark the occasion on the Fourth of July! Ireland and United States have long shared an important connection. So it’s no surprise that the Fourth of July celebrations in Ireland are among the largest in the world.

Summer is always a fun time for the Irish American Club. In June, Pete Custode entertained us at our meeting. It was a wonderful evening with song, friends and good eats.

Since July is a hot month, we decided we will cool off with “CHRISTMAS IN JULY”! Join us on July 11, 7 p.m. at Club Encore for some Holiday Cheer. Complete with fun and games and those delicious sweets of course; and maybe a few surprises as well.

August brings our “SUMMER SOCIAL” on August 8, 5 p.m., Club Encore Patio. Hot dogs, pizza, ice cream and our very own Kenny Metcalfe will be there to entertain us. Join us for some good food, music and summer fun. Look for ticket sales to start in July.

Everyone is always welcomed at any of our Club meetings on the second Tuesday of the month at Club Encore at 7 p.m. So come on down and make some new friends and have some fun!

Till we see you again “May the leprechauns dance over your bed and bring you sweet dreams.”

LVW Veterans Club

By Cindy Kopp

On Memorial Day, Monday, May 29, 2023 the Leisure Village West Association held their annual Ceremony in Remembrance of our Fallen Heroes. Once again, The LVW Veterans Club was honored to host this event. The Master of Ceremonies and President of the LVW Veterans Club, Stan Perlman, and President of the Board, Chuck Lupo and Ocean County Commissioner, Barbara Jo Crea, all gave touching speeches in honor of the ultimate sacrifices given for our country. Gene Murphy led the opening National Anthem and closed with God Bless America, along with opening and closing prayers by Les Martin. The truly moving part was the turnout of over 250 Leisure Village West residents with some friends and family members. Taking time to honor those that are no longer here is a sincere act that is appreciated by those who served alongside the fallen, family members who miss them and all citizens that love our country. Once again, our community shows that Leisure Village West is a wonderful place to live.

The Veterans Club would like to invite anyone interested in helping other Veterans to join us on the second Monday of every month at 1 p.m. in the Stained Glass Room in Club Encore.

It was a lovely evening and a large crowd attended our May meeting, which featured the LVW Dance Club's "Dancing Stars." We were entertained by Rico and Dorothy showing us ballroom dancing, Donna and Sally and their version of disco dancing, Rose Jenik leading line dancing, and Ricardo and friends dancing to a Latin beat. The line dancers also paid a lively tribute to Tina Turner. And we all celebrated Ellie Kravetz' 97th birthday. It was a most enjoyable evening.

On Thursday, July 27, we will present "A Taste of Israel." A buffet dinner of delicious food will be served, and our own Robin London will be the featured speaker. We will have live entertainment provided by a singer who will sing Israeli songs. Tickets are \$15 per person.

We celebrated spring with Frank Celano, owner of Country Gardens in Manchester, at our June meeting. There will be more about that in the next article.

Our Club is growing and we invite you to become a member, so you can enjoy our varied programs. Dues are \$5 per person and we meet on the fourth Thursday of the month. Delicious desserts are always served.

We look forward to seeing you for "A Taste of Israel" on Thursday, July 27 at 7 p.m. in Willow Hall.

By Wynn Faulkner

As we have been reporting in these articles throughout 2023, the Ping-Pong Club has enjoyed the competition and comradery of the first session of the Team Tournament 2023, a spring Singles Tournament, and gathering to enjoy time together picnicking. One aspect that has made this very enjoyable has been the opportunity to get to know some of the new members to our Club. In this article, I will introduce you to one such couple.

Jerry and Judy Clarke joined the Leisure Village West community in June of 2022. As a teen and during college, Jerry dabbled with playing ping-pong. More recently, he enjoyed competing with his sister's grandson in her basement. Upon moving to Leisure Village West, Jerry wanted to join the Ping-Pong Club. To improve his skills, Jerry began attending lessons taught by Phyllis Gudewitz. At one such lesson, Judy accompanied her husband, planning to be a spectator. Phyllis encouraged Judy to join in the lesson. Judy remarked she did not know the game and never even held a paddle, but Phyllis convinced her. Judy began playing as well. Now, as people enter the ping-pong room at approximately 2 p.m. in the afternoon, they are apt to find Jerry and Judy finishing up their friendly family match. You will have to ask them who is the champ in their family. They commented they are enjoying playing, have found the people welcoming, and are having a lot of fun.

Red and Black team members, the opportunity for you to have fun is just around the corner. Fridays, August 4, 11, and 18, the team competition will continue. So, get your team shirts ready; practice those serves, slams, and spins. Be in the ping-pong room by 1:45, ready to play. See you there!

PLAYERS CLUB

By JoAnn Johnson

We want to give special thanks to everyone who participated in the production of Rebecca and Anthony's Wedding. All our cast, backstage helpers, caterers, and decorators took on an enormous undertaking of time and effort, but we all had a wonderful time. Having an interactive production gets everyone involved in some way or another, and never knowing in which direction it will go. Hopefully next year, we can do this again, and more will be able to attend.

For those who follow the Players Club's Philanthropy, you know of our scholarship program benefiting the High School for Performing Arts. This year's recipients, Miss Piper Colyar & Mr. Chase Haffner, demonstrated their talents, respective to their specific areas of study, at our June 25 meeting. We, again, wish to offer our congratulations, and success in their future endeavors.

Coming up this month on Tuesday, July 25 at 7 p.m., we will recreate a bygone era of coffeehouse poetry reading. Each guest wishing to recite a reading of their favorite poem, or perform a theatrical presentation, will have the opportunity to be given a spot at the open mic. You are also invited to bring your favorite coffee mug with a story to tell about it, and come dressed in the styles of the '60s and '70s. A wide variety of coffees from the coffee bar will be served, along with guitar music, candles, and intimate lighting to provide the coffeehouse atmosphere.

Plans are underway for The Players Club Summer Social to be held Tuesday, August 22. Look for more information to come in mailings, flyers, and social media.

And as always, remember...

...There's No Business Like Show Business, So...

...Let's Go On With The Show.

The Pickleball season is in full swing. Organized play and drills are happening under the direction of President Tim Erbe. Do you want to learn this energizing sport or sharpen your skills? Give Tim a call at 631-901-5529 and he will get you started on your way!

Our social committee, under the direction of Cindy Simon, is planning activities that should make everyone smile. Please watch for updates at our monthly membership meetings and posts on the LVW Pickleball Club Facebook page.

Would you like an LVW Pickleball hat, visor or shirt? Please contact Kevin Burns at 201-401-0620 to place your order.

The Pickleball membership is thrilled that our courts were refurbished, and a tennis court will be taped for Pickleball. We would like to thank Maintenance and Recreation for their assistance in addressing the Club's and players' necessities.

Grazie to all those phenomenal volunteers who made our Italian Night meeting so entertaining and delicious! Did you miss this "members only" meeting? We invite all our residents to join our Club. If you are interested, annual dues are \$15 for a full membership and \$10 for a social membership. You can join during our meetings, the Pickleball mailbox at Club Encore, or by contacting Tim Erbe.

Hope to see you all on the courts and on Friday nights at the fire pit. Have fun out there and we will see you next time for Pickleball Kitchen Talk!

AFRICAN AMERICAN CLUB

By Arthur Taylor

Hello, all. The African American Club would like to invite you to join us for our monthly meeting on the second Friday of the month at Club Encore.

Some may ask: What does the African American Club believe in? As the president of the Club, I'll be happy to answer that for you: We believe in equality.

Some may ask: Do you have to be African American to be part of the Club? No, we started off meeting a few years ago in the Ceramics Room at Willow Hall and we have grown in size where, now, we meet at the Club Encore Auditorium in a mixed racial makeup, including the governing Board of the African American Club.

Summer is here; don't just sit home, come to our meeting followed by a social time in the Queen Mary Room where you can BYOB and get in our 50/50 drawing.

What Does It Mean?

In case you didn't know, Caritas means "charity," and the May 16 meeting proved this beyond a doubt, as checks were presented to representatives of the following four area charities:

Brittany, of Parents of Autistic Children - Accepted a check and told us that one in thirty-four children are diagnosed with autism in New Jersey. First responders are being trained to recognize a person with autism. There are camps, a barbecue, carnival, walk-a-thon and various programs involving parents, especially safety programs.

Amy, of Hope Center - Provides emergency shelters, mortgage assistance, help to find employment and housing. They also supply clothing and baby items.

Donna and Tim, of Harbor House - A shelter for homeless kids for 35 years. They said "these are good kids in bad situations." They also have out-client programs. There is no charge.

The representative from St. Vincent dePaul became ill and the check was directly delivered to them at a later date.

President Carol DeCicco presented Meg Kavazanjian with a plant to thank her for making up the beautiful baskets for the Card Party, the sale of which enabled us to donate the checks to the above charities.

After refreshments, Lori Dickson of Beacon of Life was introduced. Lori stated that Beacon of Life is a Medicare/Medicaid program. The PACE Program, which means a Program of All-Inclusive Care for the Elderly, is an elegant solution that allows fragile seniors to safely remain living in the Community. Transportation is provided, as well as breakfast, lunch, Bingo and various other games, plus arts and crafts. A clinic with a primary care doctor is on staff, as well as dental and podiatry services. Lori then took questions from members.

At this time, I would like to thank Dorothy Tucker, who had volunteered to be Secretary, but due to prior commitments, had to step down. But God is good because Pat Cox came forward and took her place. I also asked for a volunteer to take my place as Publicity person, and once again, God is good, and Ginny Wentworth came forward.

After 17 years of writing this column, I bid you "Adieu."

Wishing all a Happy and Safe Fourth of July and God Bless America!

The independence you want. The care you need.

June 1, and the Dow Jones stands at 33,000 and all is well, or is it?? It is all about AI, Artificial Intelligence. And, this is reflected on the NASDAQ, which stands at 13,000, up 24% YTD.

Yes, Washington did resolve the debt ceiling fiasco. It is summertime, relax, kick back, play Pickleball; no more worries.

“People are living longer.” Remember, aging is not the enemy:

- It is a natural and normal process
- I am proud of my age
- It is an accomplishment

So, you had better live within your means.

Let's take a moment to look back for the fun of it.

- December 30, 2018, Dow Jones closed at 21,792
- December 30 2019, Dow Jones closed at 28,645
- December 31, 2022, Dow Jones closed at 33,147

It is time to pay those annual dues, still only \$5. New residents join us for a meeting, third Tuesday of each month, Club Encore, become a member.

There will be no informal meeting on Tuesday, July 4.

Our thanks go to Pinnacle Federal Credit Union, the guest speaker at our June 20 membership meeting. We have invited Manchester Senior Services, located on Colonial Avenue, to be our guest speaker for the July 18 meeting. All Leisure Village West residents are welcome at this meeting. Happy July 4.

Current Events

By Carol Hartman

HAPPY FOURTH OF JULY! Every year, we celebrate the birthday of this great country on the actual date, not moving it to a Monday or Friday. It is a holiday highlighted with summer activities and fun for so many. Usually one associates it with swimming, picnics, family, friends, ending with evening fireworks. But we need to remember that the reason for all this fun is that we are celebrating a unique nation that was founded on an idea of equity and democracy.

Current Event discussions talk about equity and democracy, although there is so much more. We honor individual achievements in the face of seemingly unsurmountable odds, like a blind teenager competing in track events. We share compassion for others and strive to understand situations globally, nationally, and locally. Such an abundance of topics to explore often makes it difficult to touch upon all we intend to cover in our limited time together.

Steve Leslierandal would be happy to add your name to the list of those receiving reminders of meetings. Contact him at biodad510@aol.com. Regular meetings are held on the first and third Mondays of each month, 2 p.m. to 4 p.m. in the A/B Room at Willow Hall. We always look forward to seeing new faces, and hearing fresh perspectives. Remember, no fees, no membership requirements; just open conversation.

Homogenize Milk, Not Birds

Though uniqueness is often a quality that garners admiration, in the avian world, it now appears that ordinariness is a supreme gift.

As reported in the journals *Science* and *Current Biology*, two separate studies show that many bird species, whose extraordinary adaptations make them essential to their respective ecosystems, appear—because of their uniqueness—to be targeted for extinction.

Few birds are as unique as the toucan, that highly conspicuous denizen of the South American rainforest. With its singular beak, toucans are enabled to feed on fruit that is either too large or too unyielding for other birds. The myriad seeds from the toucans' diet are then dispersed throughout the toucans' range, which adds crucial diversity to an increasingly fragile ecosystem.

Researchers at the University of Sheffield spent years comparing beak size and shape, limb and wing length, and overall dimensions of 8500 specimens representing birds from around the world. A database showing trait similarities and disparities was then developed from these metrics. For the sake of practicality, birds already deemed most vulnerable to extinction by the International Union for the Conservation of Nature were removed from consideration. As findings were mathematized from most to least threatened, toucans, hornbills, hummingbirds, and miscellaneous other demonstrably

distinct birds emerged as the most likely to go extinct. Birds of similar shapes and sizes (e.g., sparrows, finches, starlings) were proven less likely to disappear. (Pigeons, no doubt, will live on forever!)

Fourteen major biomes (crucial habitats such as flooded grasslands and tropical forests), where birds are believed to be at particular risk, were assiduously studied. Twelve of the fourteen, which include southern Vietnam, Cambodia, the Himalayan foothills, and the Hawaiian Islands (which have already lost their emblematic honeycreepers) were deemed most vulnerable to species homogenization, where numerous birds recognized for their distinctive traits—and indispensable contributions to the ecosystems of which they are a part—will presumably cease to exist.

Using foundational data on the 9882 bird species described by BirdLife International, scientists at the Senckenberg Biodiversity and Climate Research Centre conducted a separate study (published in the *Proceedings of the Royal Society B*.) that showed how climatic upheaval is set to dramatically alter birds' ranges on a global basis. Parts of North America and Eurasia are projected to gain species as birds flee their homes in the tropics that have become unlivable due to climate warming. Such population shifts become problematic when these new arrivals impinge upon indigenous species that are already well-established. Having evolved similar traits and behaviors, these newcomers, through species homogenization, are

liable to disrupt local ecosystems in various and unpredictable ways. One of these projected contests will feature the Collared Flycatcher (*Ficedula albicollis*), a species primarily of southeastern Europe, versus the Pied Flycatcher (*F. hypoleuca*), which is firmly established in northeastern Europe. As the Collared tribe moves inexorably northward into Pied territory, the stage will be set for the avian version of *West Side Story*!

All interested parties would be wise to arrive on **Monday, July 24 at 7 p.m.**, Willow Hall for one of the Nature Club's famous live animal presentations. Josh Gant, outreach naturalist from Wells Mills County Park in Waretown, NJ, will deliver his program on owls—those superbly adapted raptors of the night so renowned in lore and legend.

Book Discussion Club

by Jan Stubbs

I am really excited about this biography, *Woman of No Importance*, by Sonia Purnell. As an amputee myself, I stand in awe of Virginia Hall, this intelligent, brave, persevering woman, who, despite wearing a prosthesis that was nowhere near the lovely, well-fitting one that I rely on, ran several operations for the English with the French Resistance in WWII.

Chosen as a BEST BOOK OF THE YEAR by NPR, the New York Public Library, Amazon, the Seattle Times, the Washington Independent Review of Books, the Spectator, and the Times of London, and Winner of the Plutarch Award for Best Biography, this book is the never-before-told story of Virginia Hall, the American spy who changed the course of World War II.

In 1942, the Gestapo sent out an urgent transmission: "She is the most dangerous of all Allied spies. We must find and destroy her."

The target in their sights was Virginia Hall, a Baltimore socialite who talked her way into Special Operations Executive, the spy organization dubbed Winston Churchill's "Ministry of Ungentlemanly Warfare." She became the first Allied woman deployed behind enemy lines and—despite her prosthetic leg and being an American operating for the English—helped to light the flame of the French Resistance, revolutionizing secret warfare as we know it.

Virginia established vast spy networks throughout France, called weapons and explosives down from the skies, and became a linchpin for the Resistance. Even

as her face covered wanted posters and a bounty was placed on her head, Virginia refused order after order to evacuate. She finally escaped through a death-defying hike over the Pyrenees into Spain, her cover blown. But she plunged back in, adamant that she had more lives to save, and led a victorious guerilla campaign, liberating swathes of France from the Nazis after D-Day.

Based on new and extensive research, Sonia Purnell has, for the first time, uncovered the full secret life of Virginia Hall—an astounding and inspiring story of heroism, spycraft, resistance, and personal triumph over shocking adversity. *A Woman of No Importance* is the breathtaking story of how one woman's fierce persistence helped win the war.

"Excellent... This book is as riveting as any thriller, and as hard to put down." -- *The New York Times Book Review*

"A compelling biography of a masterful spy, and a reminder of what can be done with a few brave people—and a little resistance." - NPR

"A meticulous history that reads like a thriller." - Ben Macintyre

I look forward to seeing everyone on Wednesday, July 12, in Rooms A/B at Willow Hall to discuss this interesting and exciting book.

In the meantime, enjoy your July 4 holiday—and perhaps think of the heroes who played their roles in preserving our American way of life, including such a one as Virginia Hall.
