**INDEPENDENT AUDITOR'S REPORT**

*To the Board of Trustees and Unit Owners of  
Leisure Village West Association, Inc.*

We have audited the accompanying financial statements of Leisure Village West Association, Inc. which comprise the balance sheet as of September 30, 2017, and the related statements of revenues, expenses, and changes in fund balance and cash flows for the year then ended, and the related notes to the financial statements.

***The Board of Trustees' Responsibility for the Financial Statements***

The Board of Trustees' (the "Board") is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Leisure Village West Association, Inc. as of September 30, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

## ***Report on Summarized Comparative Information***

We have previously audited Leisure Village West Association, Inc. September 30, 2016 financial statements, and we expressed unmodified opinion on those financial statements in our report dated December 27, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

## ***Disclaimer of Opinion on Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the information on future major repairs and replacements on page 18 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

## ***Report on Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information shown on page 19 - 23 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of the Association's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

LEISURE VILLAGE WEST ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2017

**NOTE 1 - NATURE OF ORGANIZATION**

Leisure Village West Association, Inc. (the "Association"), located in Manchester, New Jersey is a New Jersey corporation and is subject to the provisions of the Condominium Act of the State of New Jersey. The purposes of the Association are to provide condominium management services for the owners and provide for the preservation of the values and amenities in the community and for the maintenance of the common facilities. The Association is an age restricted community and consists of 2,692 residential units. Recreational facilities include three recreation buildings, two pools, two golf courses and other various recreational facilities. In addition, there is an Association office located at 959 Buckingham Drive, and a building located at 3 Buckingham Drive which was received from the Sponsor and is rented as commercial units.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the board to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Fund Accounting** - The Association's legal documents (i.e., Master Deed and By-laws) provide certain guidelines to govern the Association's financial activities. In order to ensure observance of limitations and restrictions placed on the use of resources available to the Association by such documents, the accounts of the Association are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Accordingly, all financial transactions have been recorded and reported by fund group.

The assets, liabilities and fund balances of the Association are reported in the following fund groups:

**Operating Fund** - This fund represents the portion of expendable funds that is available for the general operations of the Association.

**Properties Fund** - This fund represents all activities associated with the purchase, depreciation and sale of the Association's tangible personal property and the building located at 3 Buckingham Drive, which are recorded as fixed assets in the accompanying financial statements.

**Deferred Maintenance Fund** - The purpose of this fund is to accumulate sufficient amounts which will allow the Association to have the necessary resources to perform maintenance services including, but not limited to unit trim replacement, painting and power washing, which occur less frequently than annually.

**Emergency Fund** - The purpose of this fund is to accumulate funds so that the Association will have the necessary resources to pay for extraordinary expenses (i.e. snow removal) in excess of budgeted amounts. The fund is capped at not to exceed \$150,000.

**Replacement Fund** - The purpose of the replacement fund is to accumulate funds for future major repairs and replacements of the Association's common property as determined by the board.

NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2017

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Cash and Cash Equivalents** - For purposes of the statement of cash flows, the Association considers all highly liquid debt instruments with an initial maturity of three months or less to be cash equivalents, except those held for long term investments in the replacement fund.

**Investments** - The Association has classified securities as held to maturity and available for sale. Securities classified as held to maturity are stated at cost, adjusted for amortization of premiums and accretion of discounts. The Association has the positive intent and ability to hold these securities to maturity. Securities classified as available for sale may be sold in response to changes in interest rates, liquidity needs and for other purposes. Available for sale securities are carried at fair value and include all debt and equity securities not classified as held to maturity. Any resulting unrealized gains and losses are reflected as comprehensive income. Realized gains and losses for securities classified as either available for sale or held to maturity that are sold are reported in the statement of revenues and expenses based on the adjusted cost of the specific security sold. Fair value is measured on a recurring basis based on quoted prices in an active market (all Level 1 measurements).

**Property and Equipment** – Property and equipment are stated at cost. Depreciation is computed using the straight-line or accelerated basis over the estimated useful life of the assets: 3-31.5 years. Tangible personal property not an integral part of existing facilities is capitalized, all other costs of repair and replacement are expensed as incurred or charged to the operating, deferred maintenance, properties or replacement fund, if provided for therein.

**Recognition of Assets** - The Association's property and other common elements, other than that described above, are owned by the unit owners in condominium form pursuant to the Master Deed wherein each of the individual unit owners hold legal title to an undivided interest in property constituting the common elements. The use and disposition of these properties are restricted or governed by the Association's legal documents. Accordingly, no amounts related to these common elements are included on the accompanying balance sheet of the Association. The common elements generally consist of sidewalks, roadways, recreational facilities and open areas, and portions of the buildings not comprising the individual units.

**Maintenance Assessments and Assessments Receivable** - The Association's members are subject to monthly assessments based upon the annual budget and as determined by the board. The Association retains excess operating funds at the end of the operating year, if any, for use in future operating periods, or as otherwise specified by the Association's governing documents. A portion of the monthly assessments to owners are allocated to the replacement fund, deferred maintenance fund and properties fund.

On a periodic basis, the board and management evaluate the assessments receivable and estimate an allowance for doubtful accounts, based on history of past write-offs and collections and the current legal status of past due accounts.

**Investment Income Earned** - The board's policy is to retain investment income earned on interest bearing cash accounts and investments in the respective fund that the investment income is earned.

**Subsequent Events** - The Association has evaluated subsequent events through December 14, 2017, the date the financial statements were available to be issued.

**NOTE 5 - INCOME TAXES**

Under the Internal Revenue Code, associations may be taxed as a condominium management association or as a regular corporation, which is based on an annual election. The Association may select either method in any year and will generally select the method that results in the lowest tax due. A method selected in one year affects only that year and the Association is free to select either method in future years.

The Association regularly reviews and evaluates its uncertain tax positions taken in previously filed tax returns. The Association believes that in the event of an examination by taxing authorities, the organization's positions would prevail based upon the technical merits of such positions. Therefore, the Association has concluded that no tax benefits or liabilities are required to be recognized.

The Association's federal information returns are generally subject to examination by the Internal Revenue Service for three years, including the years ended September 30, 2017, 2016 and 2015.

(Continued)

LEISURE VILLAGE WEST ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2017

**NOTE 5 - INCOME TAXES (Continued)**

For the year ended September 30, 2017, the Association expects to be taxed as a regular corporation and therefore not taxed as a condominium management association. Income taxes of \$1,921 have been provided based on the excess of non-membership income over non-membership expenses. The Association evaluates its tax provisions and accruals and believes that they are appropriate based on current facts and circumstances. The prior three years federal tax returns as filed remain open for examination by the Internal Revenue Service. Income tax expense has been allocated as follows:

Operating fund	\$	442
Replacement fund		<u>1,479</u>
Total	\$	<u><u>1,921</u></u>

The Association is incorporated pursuant to Title 15A of the New Jersey Statutes and, therefore, is not liable for New Jersey corporation business income tax. The Association is subject to New Jersey sales and use tax.

**NOTE 6 - REPLACEMENT FUND**

The Association's governing documents require that funds be accumulated for future major repairs and replacements. Accumulated funds are held in separate accounts and are generally not available for expenditures for normal operations.

The board and management prepare, and annually revise, a schedule to estimate the remaining useful lives and replacement costs of the components of the common property. The schedule includes those components with an estimated remaining useful life within the board determined useful guidelines for inclusion in the replacement schedule for purposes of determining annual funding. The estimates were obtained from various sources and were compiled by the Association's staff. The estimates were based on the then current estimated replacement costs. The table included in the unaudited supplementary information on future major repairs and replacements is based on the estimates.

The board is funding for major repairs and replacements over the remaining useful lives of the components based on the schedule's estimates of the then current replacement costs, considering amounts previously accumulated in the replacement fund. In addition, investment income net of bank fees and federal income taxes has been allocated to all the replacement fund components based upon investments allocated to each component.

Funds are being accumulated in the replacement fund based upon the estimates of future needs for repairs and replacement of common property components. Actual expenditures may vary from the estimated amounts, and the variations may be material. Additionally, replacement fund cash and investment balances may, at times, be less than or more than the fund balance, resulting in an interfund balance. Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right to increase regular assessments, pass special assessments or delay major repairs and replacements until funds are available, if possible.
