On April 22, 2019, *Global Hydro Inc.*, *Dwyer Geosciences* and the *Service Manager, J. Snyder* attended a pre-application meeting with the *D.E.P* to discuss the findings. An initial study proved that we have a good case for increasing our monthly water allocations from 24 million gallons to 37 million gallons as long as we do not exceed our yearly allocation of 142 million. If approved, this will allow us better utilization of our water when needed.

Audience Comments-June 5, 2019

A brief audience comments period followed the business portion of the open Board meeting at 2:18pm with residents raising questions and concerns or seeking clarification about a variety of issues.

Resident: J. Ercolino reminded residents that there are volunteers at the paper trailer this week around 9 am. The truck that picks up the papers at the units leaves at approximately 8 am. It has been reported that people are leaving trash at the paper trailer. He is inviting the Board of Trustees to attend the Recycling Clubs meeting on Tuesday, June 11th at 1pm in Club Encore to discuss how to handle the fines for dumping at trash at the paper trailer.

Resident: A. Pedowitz spoke in regards to the issue with the Bingo Club and who is allowed to attend. He believes that the term guest has been misused regarding the Bingo Club.

Resident: R. Scordato spoke about the payment in advance from residents to Hotwire Communications for services. He stated a reimbursement issue arose when Verizon took over. He asked if any follow up to Hotwire is being done for reimbursement to the residents for the period of time when it was not used and payment was still made. He also asked if there was a reimbursement for the bulk television service as well. He also suggested that in the future an attorney specializing in contracts be hired when contracts are made for the Association

Response: The Residents are responsible to get their refund back from Hotwire however, the Board did

provide a letter for residents to be able to use in order to assist in their reimbursement from Hotwire.

Resident: M. Lamberti requested that when there are guest speakers at the Board meeting, the podium with the microphone be moved to the middle isle so residents can hear/ see the guest speakers.

Response: The Board will reposition the table so that the guest speakers are facing the audience and can speak directly into the microphone.

Resident: P. Masterson stated that she has been to the new Café on several different occasions and she saw the vendor come in and take out the expired food and throw it on the table. She also has not seen anyone use the Café. She asked why it was built. She thanked the Caritas Club for the generous donation to the St. Vincent Paul Organization at St. Johns Church.

Response: The food is inspected by the Vendor once a week, by law they are tagged with a stale date and then discarded. With the nice weather approaching and more activities going on in the Village hopefully Residents will use the Café.

Resident: D. Miller stated that there is a squatter living in a unit a few doors down from hers for over a month. She expressed her concerns that there is no electricity to the unit but can see flickering lights from candles and the pets living in the unit as well.

Response: The Board has been made aware of the situation and with the local and State authorities they are actively trying to take care of this matter.

Resident: R. Scordato asked if the Association is paying a small fee to Verizon besides the bulk television service.

Response: No.

There being no further comments or questions, the meeting ended at approximately 2:35 pm.

Audience Comments-June 19, 2019

A brief audience comments period followed the business portion of the open Board meeting at 1:30 pm with residents raising questions or concerns or seeking clarification about a variety of issues.

Resident: M. Kavazanjian asked for an update in regards to “New Businesses” that were posted in the Asbury Park Press with Residents addresses.

Response: Letters were sent out to those residents and most residents reported that it was not them who had the businesses. We did reach out to the editor for Asbury Park Press and did not hear back from them.

There being no further comments or questions, the meeting ended at approximately 1:31 pm.

KIRMS PHOTOGRAPHY Repeating Patterns

Unique and/or repeating patterns make good photo subjects. they add intrigue to your images and hold the viewers interest. these patterns can be the subject or just enhance the overall image but supporting the subject.

Strong side lighting (the sun or light source to the side of the subject) will enhance the patterns and make your composition stronger.

That's it for this month. As always you can send me an email at bill@kirmsphotography.com. If you'd like to see more of my images, simply visit my web site at www.kirmsphotography.com. Keep shooting and trying to improve your images, but always have fun with your camera.

Get Your Feet Wet, While You Contemplate

Don't let summer pass you by, head over to one of your swimming pools and enjoy a dip in the pool or sit poolside and read a good book. Sadly, it won't be too long before the fall creeps up on us and the weather turns in favor of pumpkin spiced beverages.

This pool season has been a very trying one, as we switched vendors over the previous year. Maybe it's just a sign of the times as it's become increasing more difficult for companies to find lifeguards who take their jobs seriously. With the notably troubling performance, the topic will surely focus on what will happen next season? Will we have guards or not?

This is a confounding problem for the Board to contemplate. As you will remember, the law changed again this past year that allowed us to file to be exempt, therefore allowing us to function without the use of lifeguards at all. Specifically the latest change in the law reversed a previous restriction and allowed us to have one guard, where two is the minimum for non-exempt large pools like ours. Seemingly, that would have been the best and most practical decision, bringing the operation back to the way it historically had always been done, one pool, one guard. Unfortunately, when viewed through the eyes of an attorney, this sensible decision became more problematic, as it created a contradiction when signage would say "swim at your own risk" but a lifeguard could be present. This ambiguity would cause concerns for any attorney and understandably they would advocate not to move forward with that type of procedure.

So, with a little Déjà vu, the Board will once again ponder the problem for next season. There have been alternative solutions put forward but not overwhelmingly acceptable ones. Who knows what form next year will take? You may have even heard of a solution that would have two guards at one pool and the other pool exempt. Would that scenario prove acceptable, especially if the exempt pool did not allow children? How about you, do you have an idea? Perhaps there's a better solution out there.

Directory 2020, In A New Age

It's once again time to start the push for getting everyone's information up to date in preparation to print the 2020 resident directory. We want to publish the most current information as possible, giving you the chance to correct information or reflect on your decision to be published in print or online. With the advent of Fios coming into the community, do you even still have a land line, or have you made the switch to mobile? Do you want your mobile number printed or not?

Did you know that the directory is available in a PDF form on our website lvwcreeper.com? Here's the actual link <http://lvwcreeper.com/document-downloads/directory/>. This PDF directory is updated monthly, so it will always be the most up to date information available.

So, please get in touch with us to update our records. Bear in mind this is the first call and we'll remind you again.

Your Premier LVW Website

You may not have heard that we recently bought <https://leisurevillagewest.com> and that's where lvwa.net gets redirected to. This site is for anyone interested in our community to become members. The reason I bring this to your attention is to showoff something that Mike Morizio put together. It's an amazing professional video that highlights our Village and you should really see it. Follow this link to see the video for yourself. <https://leisurevillagewest.com/amenities/> I'm sure you would agree this is the best promotional video and one that you can be proud to tell your friends and acquaintances about whenever they ask about the place where you live. We should all thank him for his work!

Believe it or not it rained on our picnic June 20. Tables inside were a disappointment, but everyone seemed cheerful. Actually, all said they had a very nice time and they did not have to cook! It was a time for friends to gather, eat and talk. Lots of laughter and good food.

The Fourth of July fireworks are over and now a summer to enjoy. So many things to do, so little time. LVW alone has so much bocce, golf, pools and indoor activities. Also, it was a good time to spend with family and friends

Italian American Social Club

By Kathy Maiocco

Ciao a tutti! (Hello Everyone)

August! Wow! Time is “flying” by. How are those summer barbecues going? Everyone at the Italian American Social Club hopes this has been a safe and fun-filled season thus far for all our neighbors and friends.

We celebrated “Christmas in July” at our last meeting by “testing” members’ memories playing Christmas trivia games and even sang a few Christmas songs. So good to see our residents enjoying themselves and the camaraderie that goes hand-in-hand.

August meeting will be a bit quieter so please come and join us to sign up for a club that is both exciting and rewarding. We are not just a “bunch” of Italians! Everyone is welcome and we will certainly make you welcome with year-long festivities and events. For example, see the flyers in both club houses for information on our upcoming “Feast of Lights”

celebration **La Festa della Luce della Madonna Di Casandrino**. Did this Irish girl’s attempt at the Italian language get your curiosity going? Become a member of our wonderful club and join us on Saturday, **September 21** in Willow Hall from 6-10 p.m. for this feast. I believe you will have a fabulous time!

The Italian American Social Club (IASC) holds meetings on the **third** Monday of each month in Club Encore starting at 6:30 pm for newcomer sign-ups. It would be our pleasure to entertain you for the evening, so come give us a try. If you like us, sign-up and enjoy all we have to offer! If you can’t attend next meeting and want to become a member, please contact Barbara Fabbo 732-644-9694 or Natalie Lombardo 732-323-0824 from our membership committee and they can get you “in”. Shhhhh...don’t let the “bosses” know!

It’s a wonderful life here in the LVW Community. Get out, join and enjoy all it has to offer including the Italian American Social Club.

Volunteers in Service to Our Neighbors

By Kathy Maiocco

Please say it isn't so that we have arrived in August already! Have you made any volunteer obligations for our Community yet? If not, VISTON is here and waiting with open arms for you to give an hour or two a month which will far exceed the gratitude of many of our neighbors and friends. Volunteering for VISTON is the power that enables us to benefit ourselves as well as others to live independently and aides us in building a positive self-image for all.

I know many of our residents are working but that does not have to be a deterrent. In order to keep this very vital service alive, VISTON does need more volunteers and we will work around your schedule to fit you in for an hour or two a month. Let's think about that...an hour of service to our neighbors in need replaces one hour of a "coffee" meet with friends. What could be more rewarding? Coffee makes us "jittery" and over stimulated...volunteering is much more satisfying for our physical well-being as well as our mental well-being.

Stop in and chat with us – we might even be able to "sneak" in a cup of coffee! Come into the office and find out what we are all about and what our needs are. It is not all about shopping or driving. You may be able to help in other ways. Our office is located in Willow Hall in the main lobby area (across from the reception desk). We are open from 9 to 11 am Monday, Wednesday and Friday. If it's more convenient for you, you may call the office at 732-657-1818 during those same hours. We truly hope we hear from you soon. VISTON is in need and we want this service to continue to serve our neighbors and friends – we may all be in a similar situation in the future!

Bridge Club – Duplicate

By Sid Klotz

In June 2019 we played on 8 nights averaging 6 1/2 tables each night. Dave Kestner and Sid Klotz won points all 7 times they played in June; Barbara Schpok and Ann Therway won points 6 times each; Jackie McGinnis won points 5 times

We thank Jackie McGinnis for running the game on June 27, when the usual Directors were unavailable. Sid Klotz and Barbara Schpok had a 71.88% on June 20 .

On June 25 we had our annual barbecue, which was attended by about 50 people (bridge players and some significant others). We had a great time with Bill Therway helping Sid Klotz as the chefs. The weather was great, the food was great, and the company was the greatest.

A lot of points were earned in June because we had 2 STaC games and 4 North American Pairs games. We will also have 4 North American Pairs games each in July and August.

Wear your plaid shirts, jeans, boots and string ties (or whatever lets you swing) and join us. Not a member yet? Come to the meeting and sign up or contact Greg Joslin 732-996-9204. Social membership and participation in the inside tournaments is \$15, and social membership only is \$8.

Our last Holiday Mixer of the season is on **August 31**. The last two Mixers have been great--about 70 people participated. Contact Anna Horn 732-657-4252 or sign up at the August 14 meeting. We guarantee good, friendly competition in a Best Ball format.

Save the date: Saturday, **September 7**. It's our annual picnic. Come to Willow Hall from 8:30 a.m. to 2 p.m. and compete in putting, chipping and closest-to-the pin. Everyone can participate--you don't have to be a golfer. The games are followed by lunch. Tickets will be sold at the August 14 meeting.

Want to be a thousandaire? \$2,000 can be yours if your ticket is chosen at our October 9 meeting. You have to be in it to win it! Tom Gnizdowski 732-740-4682 has tickets. They're \$5 each; books of 10 tickets are also available.

A sold-out crowd will enjoy "The Cameos" at our August 1 dance. Thanks to Tom Gnizdowski for arranging this annual event.

Thanks to Gloria Joslin, President, our 45th Anniversary party on July 16 was a great tribute to the Golf Club's anniversary. Lakewood CC provided a beautiful room, and the food was great. DJ Andy entertained us and had the crowd dancing. Photo albums allowed us to look back at people and events in the Club's past. Thanks to Brian McKenna for handling the tickets and Rachel Amorosi for the memorable photographs.

Whether you were invited to "Come on Down" or

not, Pat and Tom Murray's version of "The Price is Right" at our July 10 meeting was a lot of fun. This is a new addition to their entertainment portion of the meeting, and it's a sure repeat for next year.

Men's Inside Golf

August is LVW Golf Championships Season

By Greg Prelich

August is the month when the golf championships are held in LVW. The Men's Inside Golf championship consists of two nine-hole rounds, scheduled for **August 16** and **August 30** on the Willow Golf Course. The player with the lowest combined score for these two rounds will be crowned the 2019 champion, with trophies and monetary awards to be presented at the September 11 members meeting.

The championship tournament is open to all members of the Men's Inside Golf Association who have played at least three combined rounds in 2018 and 2019 and thereby generated a handicap. The handicaps will be used to split the tournament into A, B, and C divisions, with champions for each group. Thus, all members will be playing within their own division against comparable competition.

This year's championship promises to be an interesting and tight contest, since our first four tournaments of the 2019 season were won by three different members including relative newcomers Billy O'Connor and Mike Dunne. They and others will be challenging 2018 'A' Division champion Greg Prelich who is hoping to repeat, and eight-time champion Paul Mazza is sure to join the mix after being sidelined by an early season injury. The 'B' and 'C' Divisions will be tightly contested by a wide-open field. Maybe this year one of our newer members will get hot and capture the championship trophy for the first time. Who knows; it could even be you, so sign up and join this friendly competition.

Rebels Bowling League

By Mary Ann Earلمان

Do you like to bowl? Haven't bowled in many years? You'll fit right in with this fun league. Teams are being formulated now for our 2019-2020 season which starts on Thursday, September 5. This is a mixed league with four bowlers on a team. We bowl at 9:15 am on Thursdays at Finnegan's Lanes, Rts. 9 and 70...only 10 minutes from home. Our schedule runs 32 weeks.

If interested, please call Mary Ann at 732-408-1547 for more information.

Men's Tuesday Bowling League

By Sid Klotz

The 2019-2020 season will begin the Tuesday after Labor Day, which is September 3, 2019.

We need a few single men to fill in where we've lost bowlers who have moved or are not able to bowl anymore. We would love to add 2 more teams. So please call us if you want to sign up or if you would like some information.

We bowl from 9 am until noon (more or less) Tuesday mornings for 32 weeks. This is a handicapped league and only charges \$13.00/week. It's a low-key league whose members want to win (don't we all?) but who have fun while trying to improve their bowling.

For information about joining the league, call Sid Klotz 201-280-4542 or Tony Gentilella 610- 209-8834. No experience necessary. Rides available.

Veterans Club

By Cindy Kopp

Meatball madness was the theme this year at our annual Veterans Pasta and Meatball dinner. We would like to thank everyone that came to our charity dinner to benefit Veterans on May 31st. We have received rave reviews so far. Good people, good food, great fun. Our charitable endeavors would not be possible without help from others. Our guests were marvelous and the volunteers that helped put in a great day's work. Fantastic music selections were chosen by our own John Bello, who never disappoints. It all turned out wonderfully. I hope others will join us next time.

We would also like to thank the people who so generously donated items to make our dinner even better. Thank you to Carol and Charlie Wersinger for the fun balloons. A beautiful handcrafted blanket was donated by Maryanne Roesler for a door prize and Barbara Lazaro crafted patriotic painted rocks that were simply charming. These prizes went home with some of our veteran members as a reminder of how much they mean to us. A special note to Al and Elaine Perdeck for the large 5-gallon glass carafe we used. We have placed the carafe in the care of recreation for the use of any club that might need it for an event. It is in the Willow closet that houses the coffee makers.

We are proud to be members helping veterans. Want to be part of this worthy endeavor? Our great veterans deserve anything we can do to show them how much we care. Veterans, anyone just wanting to help veterans or those that want some time to just talk to these wonderful people are welcome in our club. If you cannot attend or just want to help a bit, just drop a contribution by check made out to LVW Veterans Club in our mailbox at Willow Hall. We meet at Willow Hall on the second Monday of each month at 3 pm. Come join us for information, comradery, friendship and some refreshments. It feels so good and will be worth it.

Installation Mass and Brunch

On June 18 the Caritas Guild members attended an 11 am Mass at St. John's Chapel officiated by Monsignor Richard Rusconi who was assisted by Carole Raspa, Marie Angelella and Ginny Wentworth. Monsignor's homily was about forgiving and loving your enemy.

The Clarion Hotel was our next venue for a delicious brunch. Sheila Michaud once again provided seating cards, Jean Mazza helped to sell tickets and Bernice Kropkowski stepped in as program person and various other jobs that needed handling.

After brunch Bernice introduced our guest speaker, Ron Owens. Ron loves teaching children, worked with the homeless and studied to become a bereavement counselor. He came out to begin his presentation playing his accordion and singing "*This Little Light of Mine*" and "*Oh, What A Beautiful Morning*" which put everyone in a good mood. Ron was witty at times and his main subject was all about rejoicing and being glad, especially in our faith and the church. If you see unhappy people, you don't want to be around them. The word Alleluia is a sign of great joy and happiness especially so at Easter because of the resurrection. Ron ended his talk with the quote, "A smile is the shortest distance between two people." Extend your smile to others. Then he ended with an appropriate song, "*When You're Smiling.*"

Bernice next called the people up to be installed on the Board starting with Pat Kinane standing in for Sheila Michaud who will be the new Assistant Treasurer; Jean Mazza, Secretary; Fran Arnold, Treasurer; Janet McBride, Vice President; Jackie Dobler, President. All stated their full commitment to their duties and was followed by applause for all.

There is no meeting in August. Our first general meeting will be September 17, 2019, and we will be collecting school supplies for Kevin's Kids. Dues will be due and are still only \$3.

LWV SERVICE CLUB

By Nedianne Koch Schwartz

Our monthly meeting was held on June 25, 2019 in Willow and began with a delicious continental breakfast consisting of hot coffee, fresh pastries and bagels. We had an outstanding guest speaker, Matthew Kalwinsky, Esq. of Taff, Davies & Kalwinsky, Toms River, NJ who discussed Elder Care Law and Estate Planning.

Mr. Kalwinsky's presentation was extremely interesting, relevant, thorough and engaging. As he described Estate Planning, he created a comfortable atmosphere for our members to ask questions and share personal experiences.

POWER OF ATTORNEY: A document where the client gives someone else the authority to make legal and/or financial decisions for them. It can be as simple as allowing someone to sign a document (perhaps a deed) for them, or it could give someone the power to make decisions for them (perhaps if they became incapacitated) in financial or health matters.

LIVING WILL: This is a written statement detailing a person's desires regarding their medical treatment in circumstances in which they are no longer able to express informed consent, especially an advance directive.

WILL: Mr. Kalwinsky encouraged those who have assets and heirs to prepare a Will. If a person dies without one, then the Probate Court would appoint an Administrator to make distribution of their estate. The Administrator's decisions concerning distribution may not be in line with the desires of the decedent. Further, it can be very costly and time consuming. Thus, if one has an estate that is valuable, a Will would allow it to be distributed the way they desire and will save time and money.

Some other topics discussed were guardianships, inheritance tax and tenants in common.

If you have any questions call Mr. Kalwinsky at phone is 732-901-5797.

Come join us at Willow for breakfast and monthly meeting on Tuesday at 9:30AM.

Mentoring in Manchester Township Schools

Students, grades 3-5, need someone from the community to spend 1 hour a week from 1 to 2 pm either on Thursdays or Fridays at the elementary school located at the end of Colonial Drive, behind our local Shop Rite. Although our program has grown and we're so proud of the mentors we have, we still have more kids than mentors. And, if the days and times mentioned above aren't good for you, there are mentoring programs in other schools around the county. Ask yourself: Do YOU have 60 minutes a week to spare? If you'd like to hear more you can call me, Doris James, at 732-657-1794 or call the co-coordinator of the program, Barry Steinmetz, (also a mentor) from the Ocean County Department of Juvenile Services at 732-288-7723. Barry will be training people all summer and is waiting to hear from the good people of Leisure Village West. Please, step up to the plate. I can promise you a home run.

LVW Fishing Club

By Jim Larsen

I'm writing this article in June for the August Bulletin so nothing I tell you now about what fish are running or where to go will help you in August. I'm reading an article about a Great White Shark who appeared next to a boat named the "Big Nutz Required" that tells a lot about the mental condition of the owner, but the story gets better. This boat is taking part in the annual Mako-Fever Tournament, fishing 30 miles south east of the Manasquan, dutifully chumming the waters in hopes of landing a Mako Shark. The tournament is won by another boat that landed a 402 lb. Mako. That's just the beginning, because the guys on board the boat with the stupid

name are about to meet the Mako's big brother who has been lured by the chum slick they were spreading.

To their surprise instead of a 400 lb. Mako they have managed to lure a Great White Shark estimated to weigh 3000 lbs. and measure 15 feet in length, which is about half the size of their 30 ft vessel. For the 6 crew aboard it's time to get out of Dodge, which they do in great haste. I'd hate to be the crew member who had to clean the boat that day.

To me this leaves a big question, what would you do if you hooked that Great White? There you are, on board the Jamaica 2, your line in the water, waiting to hook into a good-sized blue, when suddenly up comes Jaws. Mouth wide open he makes straight for you doing about 30 mph, and all you can see is your reflection in his big beady eyes. My question is would you: "A" Push the guy next to you overboard to distract the shark? "B" Cut your 40 lb. test line to let him go free? "C" run like hell up to the bridge? or "D" all of the above?

Be ready to give us your answer at the **August 1** general meeting at 2 pm in the ceramics room at Willow Hall. If you are a no show at the meeting it will be assumed that your answer was "A".

A variety of songs were played such as "Happy Days Are Here Again", their theme song. The vocalist belted out many musical tunes. The show ended with patriotic

LVW strutters Penny Bosco, Karen McGinley, Eileen Krynicki, Rosemary Moran and Mary Ann Koeppel songs including "It's A Grand Old Flag". The Happy Days Strutters added a final touch marching around Encore Hall in their beautiful costumes. Six of the members are residents of LVW Penny Bosco, Eileen Krynicki, Rosemary Moran, Mary Ann Koeppel and Karen McGinley. They roused the audience to rise and strut with them. What an exciting evening for the membership.

The Mixed Doubles Tournament took place on June 25, coordinated by Al Carnegie. After a few hours of competitive play victors emerged. Barbara Wilkes and Diane Ewing took first place for the women. Remember Reuse The Earthlings

By Peggy Hathaway

**It's tricky to know what is recyclable in Ocean County
Listed are some of the most common problems.**

BOTTLE CAPS

Please remove all bottle caps and toss them in the trash. Bottle caps cause problems at our recycling facility. When bottles are crushed, tops can eject and hit workers. Having the tops off ensures liquids are out. So caps ahoy.

PLASTIC BAGS

The average active use of a plastic bag is 12 minutes! But plastic bags take 10-400 years to decompose. Plastic bags are prone to jamming machinery at recycling facilities. Please do not put your plastic bags in recycling. Do not use a plastic bag to contain recyclables. A bin or other container is required. Bring your own bags to the grocery. You can do it!

PIZZA BOXES

Pizza boxes are made from corrugated cardboard. However, when the cardboard becomes soiled with grease, cheese, and other foods the box becomes contaminated. Food contamination is worst in paper recycling. It renders those paper items non-recyclable. So into the trash go the pizza boxes.

When in doubt if something is recyclable, don't recycle it. Just because an item labels itself as recyclable, it may not be recyclable in your location. Recycling facilities have differing regulations.

Ping-Pong Club

A Club Where Everyone Knows Your Name

By Wynn Faulkner

What's Going On?

As the dog days of summer approach, let us look back to the beginning of the summer season. The month of June was a busy one for the Ping Pong Club. Our club's annual picnic was held on June 19. The sky looked ominous and the forecast was threatening. However, the rain held off and the picnic proceeded as planned! The atrium patio looked festive with decorations, the music played, the cooks fired up the grill and tasty looking dishes were in place. Over 30 people braved the clouds and the possibility of rain. We had a good time of sharing, laughing and eating. After becoming stuffed we went inside and enjoyed game time, led by Barbara Corrigan and Chris Faulkner. Many thanks to Barbara Corrigan for doing a wonderful job of organizing and running the festivities. Also, kudos go out those that helped set up and clean up (Phyllis Gudewitz, Charlotte Bonilla,

(Doubles Champs: Americo Guerriero and Jerry Finlayson receiving their trophies)

Jerry and Fran Finlayson), to the cooks (Bill Corrigan and Wynn Faulkner) and to Barbara and Chris for running the games. It was a very enjoyable day, but Nick, we missed you (there were leftovers)!

At the tables, the team competition resumed. As we entered June, Bob Nucci was beating the Red Team (led by Greg Prelich) by the score of 27 to 20. During this month we had three more rousing competitions with the Red Team besting the Black Team by a point (38 to 37) for the month. That brings the totals to 64 to 58 for the year. On June 28 there were 28 in attendance, ready to help bring their team to victory. The excitement was palpable! If you aren't involved, join us on Friday afternoons in September. If you are, keep up the enthusiasm.

Forecasting August's schedule – the club will be enjoying the fun at a BlueClaws game on **August 8** in Lakewood. The Summer Tournament will be held at 2 pm on the **August 13, August 16, August 20**, with the finals on **August 23**. You are welcome to come and join us!

The Westernaires

Our 45th Year Inquiring Minds Want to Know

Our Spring Concert in June was well received by our appreciative audiences who responded with standing ovations. They especially delighted in the poetic narrative and the familiar songs. Many inquired as to who selects the music for the programs we present. Let me share with you the process.

Nine choristers make up the committee currently chaired by Marthe Brandt. A theme is decided upon and Marthe pulls the music from our extensive library and also goes through catalogs perusing titles to fit the theme...sometimes ordering sample copies of new music. She checks on the range of music to fit our voices and the timing of each piece. It is then presented to the committee for comments and suggestions, and the order of a program is set up as close to fitting the wishes and desires of all. Her outline is a work of art, categorizing the songs and placing them throughout the program line-up in a calculated way. She presents this to Dennis Rittenhouse, director, and Sara Hoey, accompanist. If there are any changes to be made, as rarely happens, it goes back to the committee and then on to the chorus board for approval. If new music is needed, it is purchased at that time.

Packets of music are assembled by our chorus librarian, Barbara Corrigan.

These are distributed to the members at a breakfast meeting, usually the first Friday in September for the Holiday Concert and the first Friday in February for the Spring Concert.

Chairperson Marthe Brandt comes with an extensive background in music having taught for 27 years both vocal and instrumental music in elementary and middle schools. She was also active in the Red Oak Music Theatre in Lakewood where she met Robert Meyers. And surprise, surprise, before becoming an LVW resident, she even accompanied the Westernaires chorus on occasion when Robert Meyers was our director from 1975 to 1986. How fortunate we are to have her now as a resident of Leisure Village West and such an asset to the chorus.

We will be preparing for our Holiday Concert soon. If you like to sing, come join us. Our breakfast meeting will be on Friday, September 6 at 9:30 am in Willow Hall. If interested, call Jeannine at 914-649-5544 before September 1.

Emergency Notification Committee (ENC)

By Anne Niebergall

Celebrating our Sixth Year

Although hurricane season begins in June and ends in November the more active months typically are August and September. Summer storms bring heavy rains and winds, lightening and downed trees that can cause power outages. Being prepared is the major key to staying safe and informed.

Every six months your emergency supplies should be updated. Be sure to have a flashlight, extra batteries and a portable radio within easy reach. Maintain an emergency supply of water, canned food, such as tuna, canned meats, vegetables, fruits and juices and don't forget the can opener. Remember a portable cell phone charger. Also check your go kit to be sure you have all you need should you have to leave your home.

The safety and care of our pets is just as important and they should have their own emergency supply kit. This should include a supply of water, non-spill food, leashes, cage or carrier and medication just to name a few items.

Register Ready is New Jersey's special registry for disabled residents which assists emergency responders in identifying persons with special needs during an emergency. Manchester Township Office of Emergency Response also maintains a registry. LVW Association should be advised of special needs during an emergency as well. For more detailed information visit the following emergency preparation websites: ready.nj.gov, firstenergycorp.com/storminfo and co.ocean.nj.us (click on Be Prepared link).

Annual Meeting of ENC members

The ENC is happy to welcome 14 new volunteers. Once orientation is completed they will be assigned a designated area. Any resident wishing to become a Revere or Revere At Large can leave a note in our Willow Hall mailbox with your name and phone number or leave a voice message at our phone number 732-408-8119 and a member of our Core Group will contact you.

We want to once again thank all our Reveres and Reveres at Large for attended the June annual meeting as well as Core Group members for all their hard work. Thank you to Phyllis Brown for the photos. Stay safe and enjoy the remainder of the summer.

Columbiettes 9134

By Mary Ann Koepfel

Our next meeting will be on Monday **September 9, 2019**. Monthly meetings are for Columbiettes only unless otherwise noted. We are planning an Afternoon Tea in the Fall for anyone interested in being a member. You will learn what the Columbiettes are all about. The date for tea will be announced in September. If you are a Catholic Woman you are welcome to join the Columbiettes.

Over the summer please continue to collect the tabs from pop up cans and bring them to the September meeting. If you are not a Columbiette and would like to collect the tabs for us they go to a worthy cause, The Ronald McDonald House. Please contact any members you may know or Debbie McNeil and I will pick them up. We also collect any toiletries that you may have collected over time from hotels or your vacations and donate them to the homeless.

We are working on our Annual Card Party for Thursday, September 26th. We are in need of any new items to raffle off. Anyone who would like to donate please contact a member or Kathy Robinson. If you would like to attend please be on the lookout for tickets to go on sale. We are looking forward to having a great afternoon!

Our Board Members have changed as follows:

Vice President	C. Cecora
Treasurer	J. Banas
Financial Secretary	D. Ruth
Secretary	D. McNeil

Just a reminder, if you have not paid your dues you can do so at the next meeting.

We want to thank the person or persons who put the barrels out to form a basketball court at the Encore overflow parking lot.

Our grandkids really enjoyed having a place to play while they were visiting with us.

Thank you,

Computer & Technology Club

Smartphones – Tablets – Smart Home Devices

By Anne Niebergall

During August the computer workshops will continue every Thursday at 10 am in the Club Encore card room. The Saturday workshop and general meeting for the month of August are suspended. We will resume general meetings on September 10. Resumption of Saturday workshops TBA. All updates regarding workshops and meetings are posted on our club page on www.lvwcreeper.com, FIOS Channel 1971 and our member Facebook page CCLVW.

As everyone is aware the long awaited Café was completed a few months ago and is located in Club Encore. We want to congratulate our Maintenance group for doing a beautiful job. Coffee, water, soft drinks and snacks are now available for the residents to enjoy. In support of the Café and to encourage its use, the Computer Club will no longer be serving coffee and bagels at its General Meeting.

Just a “heads up” September is nomination month for our 2020 Board. Elected positions are President, Vice President, 2nd Vice President, Secretary and Treasurer. Five (5) Members at Large, which are volunteer not elected positions, complete the Executive Board. We will also be in need of a Publicity Chair and a Membership Chair (again volunteer positions). I have been taking care of these functions for 3 years and 6 years respectively and need a break. Any member who is interested should contact either Dennis Wilcox, Chuck Corvo or Anne Niebergall. Nominations will be read at our October meeting and elections will be held in November. By the time this column is published, all members should have received a club email detailing the responsibilities of each position.

Each member should be aware there is a strong possibility if we do not have a full Executive Board the Club would have to consider dissolving. We need members to step up.

KEEP OUR CLUB VIABLE – PLEASE VOLUNTEER!

We wish everyone an enjoyable and safe summer. See you in September.

West Village Players

By Judith Carelli Stout

The summer is in full swing and though some clubs take a hiatus to enjoy the warm weather, the beach and the pools, we continue to present great monthly programs for our members...and sometimes, for the entire community. That was proven by the huge audience that was drawn to the return engagement of Nick Addeo in June. The performance was open to the public and boy did you respond! As usual, Nick was in great voice and entertained us with a variety of love songs, doo wop, and an Italian folk song. Thanks for returning to our stage, Nick!

We were enthralled by the multi-talented Lorraine Metro scholarship winner, Jessica Sanzone. Her varied program held us captive with her graceful dancing. She

certainly proved why she was chosen to be awarded the scholarship. This scholarship is awarded every year to a deserving recipient who plans on pursuing a career in the theatre arts. Jessica has been accepted into Marymount Manhattan College's Musical Theatre program. We all wish her the best of luck!

If you haven't sent in your application for a table at our "Island Fantasy Dinner Dance" on Tuesday, **August 27**, at 7 pm you may be too late! You may call Lillian Haase at 732-323-1753 or Barbara Pringley at 732-657-1040 to ask if any tables are available. The price per ticket is \$27 which includes an evening of dining, dancing and entertainment. We are fortunate to have Jimmy Donello with his steel drums and guitar to entertain and provide music for dancing. The menu sounds fabulous with island related dishes and dessert! It's BYOB so break out the Mai Tais! Bring your camera as we're setting up a tropical background for you to preserve your memories of that night. Hawaiian shirts, muumuus, and sandals are the dress of the night!

The September 24 meeting will highlight a members' showcase. We're asking that members of our club prepare a comedy skit not longer than five minutes to present to the audience. Let's see what you can come up with. You can perform alone or with a group so put your creative cap on! After all, we are the players in the West Village Players, so it's time for you to shine! Please have a synopsis of your skit in our Willow Hall mail box by **August 10**.

Auditions for our Fall Production will be held **August 6** at 2 pm and 6 pm in the music room at Encore. If you love "The Honeymooners", "The Carol Burnett Show", "Golden Girls", you're going to love the fall production! It will be presented the first week-end in November. Think "Comedy Tonight!"

We're always looking for new talent, either in front of the curtain or behind it. Please remember, all the world's a stage and all the men and women, merely players. Come be a player!

The National Debt: Should we have a rising budget deficit in a strong economy? The government debt at present is \$22 trillion. This represents an increase of \$2 trillion in just the last two years. A growing budget deficit makes sense as the economy slows, however, we are presently in a strong economy. Fed Chairman Powell, oh what to do? Maybe spending less! Higher taxes are usually what government call the solution.

Speaking of huge debt, the student loan system is out of control. Borrowers currently owe more than \$1.5 trillion which is an average of \$34,000 per student. Defaulted loans grow by 1400 per day. We the taxpayers are paying for this inefficient system. Meanwhile, college tuition rates continue to rise well beyond inflation rates. The 2020 Presidential Election campaign has just started, let's watch how much of the conversation will be devoted to the above topics, the national debt crisis and the student debt crisis.

Our panel discussion held during the July 16 membership meeting was lively, productive and funny. Thank you members for your great ideas, comments and your promise to help recruit more members to our club. As you know, our goal is 100 members. We will have more contests in the coming year. Judging from the empty boxes and empty bottles, the pizzas and soda hit the spot. Thanks again everyone.

On **August 20**, our guest speaker will be Melissa DePalma, Deputy Director, Manchester Township, Division of Senior and Social Services. Topics for discussion will include property tax reimbursement, PAAD Program, senior transport service, food stamps and much more.

Congratulations and thanks to our recently elected officers. We are looking forward to a busy and exciting year ahead.

Happy rest of the Summer!

Everyone enjoyed our end of year/beginning of summer picnic. Lots of good food with hotdogs provided by the club and of course great desserts including the summer favorite watermelon. The board members put a fun basket of picnic goodies together for everyone to take a chance on. The basket included 4th of July decorations, a sand blanket, cold mug, fish gel ice cubes, and more. Congratulations to our member winner!

Busy Bees

By Phyllis Long

Summertime and the bees are busy visiting our gardens. Honey bees (*Apis*) are hard workers. They collect pollen, pollinate food crops and produce honey. One third of all the food we eat depends on pollinators, usually bees. Bees are an asset to commercial agriculture. Honey bees live in colonies and are transported in their hives to orchards and farms at the time their work is needed. Currently it's alarming that many honey bees are dying, a phenomenon called "colony collapse". The reasons for a global decline of bee colonies are industrial agriculture, parasites/pathogens and climate change. Toxic pesticides are particular threats for both honey bees and wild pollinators.

Nesting tubes for Mason bees.

Blueberry bee

Could native bees help? Wild bees, of which there are over 4000 species, are very good pollinators. Mason bees, a group that includes two American natives; the Blueberry bee, (*Osmia ribifloris*) and the Orchard bee (*Osmia lignaria*) have hairy bodies that carry

lots of pollen. USDA research shows that one Mason bee can do the job of 100 honey bees. Mason bees work in cool and rainy weather. Where early spring crops are waiting, Mason bees are ready when honey bees are apt to take the day off.

Mason bees are also suffering increased death rates but seem to be hardier than honey bees. Because the native bees live independently they are less susceptible

to disease and pests and they can't be transported to farms where exposure to toxins is greater.

Mason bees are named for their use of mud in nest building. They lay eggs in cracks or holes which they seal with mud. Orchard and Blueberry bees are smaller than honey bees and have a metallic green or blue color. They are solitary but like to nest near one another. These bees are docile and only sting when handled.

To attract and protect these hard working little pollinators we can provide artificial nesting holes. Housing for Mason bees can be made with bundles of waterproof tubes or reeds. The preferred size of nesting holes is 6 inches long and 5/16 to 3/8 inch inner diameter. These nesting houses should be placed in a sunny spot protected from rain.

Pet Club

By Mary Ann Koepfel

Our next meeting will be Wednesday night, **August 28** at 7 pm. Though we did not have a June meeting, our July meeting had a surprise guest speaker. S. Emmons brought in two of his three miniature therapy horses. The Pet Club members all had a blast interacting with the horses.

We are in the process of planning for our yearly Dog Day Afternoon to be held on October 12. This day will be here before you know it. We are asking for any new ideas or vendors that would be interested in coming to this event. We are in need of volunteers to help with all aspects of events throughout the day.

Tables are only \$25 and it's a great opportunity to promote their product. Please contact Gail O'Connor at 908-510-4278 if you would like a vendor application to participate or if you have any questions.

Save the Date: November 11 at 1 pm in Leisure Fair, we will be offering "Photos with Santa". You can have a beautiful photo of you and your pet with Santa Clause for only \$5. This would make a great holiday gift.

We are looking for donations of any kind for our November Tricky Tray which is planned for November 7. Contact Kathy Kennedy at 732-245-6914 if you have any new items or gift cards to be donated.

This is your club and the Board wants to make the meetings as enjoyable and interesting as possible. We are seeking your help with ideas for speakers. You may also know someone who would be able to speak to our club regarding pets. Perhaps someone knows a veterinarian who would be able to talk with us. Or a groomer? Or a Vet-tech? Or?

We encourage new members to sign up and remind all current members to renew. Dues are due and are only \$5 a year. The pet club will now meet the fourth Wednesday of each month at Club Encore at 7pm. You do not have to own a pet to become a member of the pet club. Pet Club members just need a love of animals and a desire to raise funds to support animals in need as the club achieves its mission.

LGBTQ+ & Friends

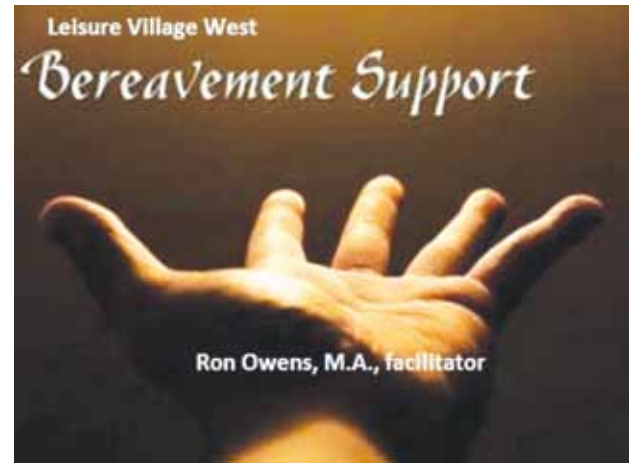

By Wayne Steinman

We hope your summer has been enjoyable and restful, and you've been having a 'gay' 'ole time! (Sorry for the corny joke.)

Our August gathering will be on Monday, **August 12**, at 7 pm in Willow Auditorium. We will feature a karaoke night hosted by our very own, and very talented, Ferlie Almonte. C'mon out, another corny joke and sing your hearts out! Everyone is welcome.

The LGBTQ+ & Friends group continues its supportive environment for everyone in Leisure Village West. We welcome our lesbian, gay, bisexual, transgender and questioning residents, and all of our friends to join us.

"Being gay is like being left handed. Some people are, most people aren't and nobody really knows why. It's not right or wrong, it just the way things are."

On Monday **August 26** bereaved residents of Leisure Village West are invited to either a 1 pm or 7 pm support group session. It will be an opportunity to share supportive ideas and resources to anyone who has suffered a loss of any kind at any time. Both sessions will take place in the Music Room of Club Encore. Sessions will be facilitated by Ron Owens, M.A., former Bereavement Counselor for Holy Name Medical Center in Teaneck.
