He went out to bid for a Nifty Lift TM34 which is a very mobile and versatile trailer mount lift that has retractable axles that allow it to pass through a 3ft 7in wide opening, allowing to get in between units when needed. The following are the quotes received:

Vendor	Model	Cost with tax and freight
Atlantic Aerials	TM-34	\$21,256.16
Skyworks Equipment	TM-34	\$22,237.94
Aerial Titans	TM-34	\$22,657.81

It is his recommendation to purchase a TM-34 Nifty Lift from Atlantic Aerials for a cost of \$21,256.16. This expense will be provided by account #3151-Equipment Additions. The Board will vote on this at the next open Board meeting on April 3, 2019.

J. Schultz stated that a pharmacy was interested in renting the vacant office at 3B Buckingham Drive but has since notified the Association they are no longer interested due to them not finding a pharmacist. The Board is looking into other avenues to rent the space.

Response: The Board has distributed and discussed all the information at open Board meetings regarding the rejection ballot since October 2018 and additional information was published in the LVW magazine.

Resident: Y. Fish feels a Board member should not leave during the audience comment period. She asked if the revisions in the revised Policy, "Control Gate Entry" are for residents only.

Response: If a Board member leaves during the audience comment period they are excused with prior notice to the Board President. The revised policy is for Residents only.

Resident: A. Pedowitz spoke about the process for the rejection ballot.

Resident: Y. Fish stated she was given a standard remote control by Verizon FIOS in the beginning of the installation process. She asked that since they started to give out the voice activated remote controls towards the end of the installation process in the village, if she could now have one for free.

Response: She may bring this to the attention of Verizon at the Town Hall meeting on March 20th.

Resident: I. DePasquale asked if the Board has looked into a group pricing for First Alert.

Response: The Board can look into this.

Resident: T. Ferrell mentioned that it was previously stated that the Association did not provide a stamp on the return envelope for the rejection ballot in order to save money. He asked if this will be the same procedure for the Trustee election. He also mentioned that the election Chairperson has not spoken to the residents in regards to how the rejection ballots will be secured or totaled.

Response: The election process has not been discussed yet for this year's Trustee election.

Resident: N. Haythorn mentioned that the resident wanting the voice activated remote can use Alexa.

There being no further comments or questions, the meeting ended at approximately 7:40 pm.

CURB YOUR DOG AND KEEP OUR COMMUNITY CLEAN

All Residents are reminded that according to the Rules and Regulations of Manchester, "A pet shall be on a leash whenever outside of the unit (house) and shall, under no circumstances, be taken into the recreational areas. The proper clean up of all pet waste shall be the responsibility of the owner."

Pet owners are to respect their neighbors and curb their dogs. Dogs relieving themselves on lawns is not good for the lawn--it is actually harmful. Please keep our community clean and healthy for all of our residents.

Thank you for your consideration of others.

Pools and Exemptions

Here we are again making last minute changes to our position regarding lifeguards for our pools. The confusion started in January 2018, in when the state made a change to the bathing code. At that time a rule was made for pools over 2,000 square feet requiring two lifeguards. In addition, the rule stated that these lifeguards would not be permitted to have any other task, such as badge checking. Their sole responsibility was to watch over the pools. We could file to be exempt and not have lifeguards at all, providing that we have the proper signage stating that you are swimming at your own risk. No option was available to have any number of lifeguard(s) once you filed to be exempt. The rules were revised again in April of 2018 allowing a “specially exempt” facility to have a lifeguard, if they choose to. Nevertheless, the Board decided last year to have two lifeguards at each pool and not file for exemption. This year the state made yet another minor change allowing the lifeguards to do other menial tasks.

So, with the rules bending slightly, we felt confident we could operate our pools under the exemption, and provide at least one lifeguard as the law now allows, but this was not as easy as it seemed. The state law provides a facility to file for exemption and use only one lifeguard or choose to use none. Under liability laws this doesn't speak to the contradiction that we would be setting having one lifeguard for a pool when the state declares two are needed because of the square footage of our pools. This all comes down to liability risk and our attorney advised us, in his opinion, our plan would present a greater difficulty should we need to defend our choice.

We all know pools have a certain amount of extra liability and is why for many years, without question, we have provided guards. Going exempt, without guards is desirable by some residents, and the Board did contemplate going that way, but they certainly struggled when they considered children's use of the pool. Ultimately it was decided, for this year, we will have lifeguards, but this discussion will continue.

What's your take on this, what would you do? Is there a solution that would be acceptable? Would you ever consider having one pool exempt, where no children can swim at that pool and one pool with lifeguards and all the children's hours? Something to think about for the 2020 season.

Reminder to Check Your Air-Conditioner

Most of you will not experience startup troubles with your air-conditioner, but some will. You can avoid the discomfort of finding out it's not working, on the hottest day of the summer by checking it early. It is true, that it needs to be warm outside to check if the unit is working at its optimum performance, however there's a few things we can check now even when it's cold outside.

The problems we can discover early have little to do with the freon in the system or the performance. Startup troubles can include bad contactors, thermostats, condensing fan motors, capacitors and such, all components of the air-conditioner systems. These are items that can prevent your system from starting this season and are an easy fix with services we provide.

Please check your system early to avoid any inconvenience and discomfort. If your system is working properly, remember on the hottest days, to start cooling your house before the heat gets unbearable as it will take time to recover. You should also close blinds, shut off unneeded appliances and lights, use washers, dryers and cook during cooler parts of the day.

Current Events

by Adele Shuldman

We started our April meeting with a discussion and a review of the book: *House of Trump, House of Putin* by Craig Unger. This book confirms the most incredible American paranoia about Russian malevolence. Unger traces the deep-rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of Russian mafia. Pages 265 thru 283 detail Trump's 59 Russian connections.

Some additional topics discussed:

•Should we chastise people who dressed in 'black face' 60 years ago?
(remember Amos 'n Andy)

- Law enforcement should be held to the highest standards
- Concern with the financial status of New Jersey. Are we going bankrupt?
- Should we consolidate the myriad school districts -- an ongoing question being challenged and discussed for over 25 years
- The Green Deal; the many challengers for president in the Democrat Party
- Last remaining diplomats have left Venezuela -- turbulent times
- Netanyahu hoping for a fifth term in Israel
- The addition of the citizenship question on the 2020 census
- The EU will scrap the summer-winter time clock change in 2021
- Trump says 'No' to Korea; should women be drafted?
- Longest U.S.-Taliban peace talks re: Afghanistan
- A new sport: girls' wrestling -- do you agree?
- What is the status of the Brexit deal? How will Britain progress?
- Another sadness: the act of violence in New Zealand
- Korea held responsible for the death of Otto Warmbier
- College bribery
- Students who walked for climate action from 50 states and more than 100 countries
- Trump's national emergency declaration

And, suddenly, it is 4 pm and discussion ends with so many topics yet to be discussed. We meet **the first** and **third** Monday of every month.

The May meetings are: **May 6** and **May 20** in the A&B rooms, Willow Hall at 2 pm. All residents are welcome. No dues. no coffee.

During the Winter months, the LVW Veterans Club has been busy planning our annual Meatball and Pasta Dinner to raise money to support efforts to help Veterans. Our mission, to add some joy, friendship, and camaraderie to those who placed their lives on the line in defense of our country and its citizens, never waivers. We enjoy the time we spend with other veterans and especially the time we spend running special events in the Vineland Veteran's Nursing Home. These men and women have done just that, and it is with joy that we honor their actions.

Please join us and share that joy in support of our charitable efforts. All the money we raise goes to helping other veterans. Our annual Meatball and Pasta dinner will be held on Friday Night, **May 31**, at Willow Hall. Starting at 5:30 pm, enjoy music, join in our 50/50 drawing and feast on salads, bread,

Peripheral Neuropathy

is a condition that affects millions of Americans, commonly resulting in pain, tingling, numbness, and other painful symptoms in the hands, legs and feet. This pain changes your life and affects how you work, how you play and how you live.

How do you know if YOU have Peripheral Nerve Damage?

Peripheral neuropathy is the consequence of damage to your peripheral nerves. There are over 100 different kinds of peripheral nerve disorders or neuropathies – some are the result of a disease like diabetes, while others can be triggered by a viral infection. Still others are the result of an injury or compression on the nerves. No matter where the problems begin, it is imperative nerve disorders are resolved as soon as possible to prevent permanent damage.

Many people suffer with pain for years, not realizing that their symptoms may be due to Peripheral Neuropathy. Symptoms start gradually, then get worse, including numbness, burning or tingling sensations and sharp, electrical-like pain. Treatment options have been limited to a small assortment of pain medications, which can lead to further issues. Ignoring the problem or masking the symptoms has never been a viable solution. If you suffer from any of the aforementioned symptoms, we can help.

New FDA-cleared treatments provide hope

Northeast Spine and Sports Medicine is pleased to announce their new program for treating Peripheral Neuropathy, which includes a combination of advanced FDA-cleared treatments with breakthrough technology that aids in healing the damaged nerves.

What does Peripheral Neuropathy look like?

The program CBD Wellness on March 28th Thursday 7:30 pm at Encore had a great turnout. Thank you all for attending.

Our guest speaker was Jackie, owner of THE VAPE SPOT 2 on Route 70 North in Manchester. The program was to provide information regarding the difference between marijuana and CBD which is the derivative of the plant. Marijuana (THC) is an illegal drug.

CBD is legal in all 50 states and lacks the harmful cognitive effects of THC. Jackie stated all her products are lab tested and the results are in her store for you to see. She has her own grower in Colorado, and the products are made by her.

CBD comes in many forms including oils, creams, bath bombs, foot bombs, beauty creams and gummy bears. It can be smoked and comes in different doses (mg.) There are also products for dogs and cats. Prices vary according to individual needs.

CBD is used for seizures, anxiety, anti-inflammation, neuropathy, migraine headaches, pain, glaucoma (to relieve pressure in the eye) and the list goes on.

Testimonials were given by our residents as to how effective it works. Residents also indicated that some doctors prescribe the use of it. One should ALWAYS check with the doctor before taking, using or stopping there medications.

1. Know where your CBD comes from
2. Ask for Lab results when buying
3. Stay away from on-line sales
4. Don't confuse CBD with hemp oil because it is not CBD
5. Check the label to make sure there are no preservatives or additives
6. CBD cannot be imported into USA or exported out.
7. CBD is NON ADDICTIVE

Visit the shop and ask questions.

In conclusion it is ALWAYS BENEFICIAL to broaden our way of thinking and be well informed on new issues. Things change and we need to adapt.

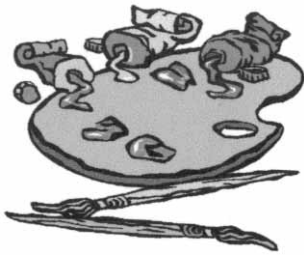

Our Next meeting is **May 23, 2019** in Encore at 7:30 pm Everyone is invited

Refreshments will be served.

Happy Passover and Happy Easter to all

Arts & Crafts Club

We're well into spring now and Mother's Day is just ahead. How many of you would like to get yarn as a gift? I'm talking about really good yarn, expensive yarn, the kind you use only to make something special for yourself. Have you ever found a pattern you truly had your heart set on making, but the yarn called for was way too expensive? Well there's a website that shows you substitution yarns in all price ranges: www.yarnsub.com. Following the directions, enter the yarn called for in the pattern. Hit search, confirm the yarn name and a list of yarns appears for you to choose from, along with info on weight, yardage, comparable gauge and needle or hook sizes. There are quite a few websites related to knitting, crocheting, weaving, sewing, and so on. Do a search for them and you'll be surprised to find what's available-- a lot of which is free. Have fun searching!

At a meeting earlier this year, we discussed doing a workshop in May on mosaic painting on tee shirts. This will be a fundraiser for the club. The cost is minimal and you provide your own tee shirt, dark in color: black, navy or dark green work best.

The clubs' spring sale was quite successful. The newest "hot" item was cellphone pouches, a convenient way to have your phone with you at all times. If you missed out on seeing or buying one, come to a meeting and we'll tell you about them. Just a reminder: our Autumn Sale is in November and new, up-to-date items are always accepted for the sale. Summer is a great time to work on small projects while relaxing at the pool or patio. Let's notice how many people we see knitting or crocheting in public this summer. Who knows? We just may attract new members for the club.

Meeting dates: **May 2, May 16, June 6, June 20** at 1 pm in Leisure Fair.

Happy Mother's Day!

The Westernaires

By: Kathy Hubany and Barbara Corrigan

Fun! Fun! Fun! That is what happened at the “Cupcake, Card and Games Party” that the Westernaires hosted on Saturday, **March 30**. Homemade cupcakes of all shapes, sizes and colors lined the long table. I don’t think I have ever seen such a creative display. Our guests carefully made their choices of 4 complimentary cupcakes that came with the ticket price. If that was not enough, tickets were purchased to win one of the many beautiful, assorted baskets. There were some very happy winners. The secret apron holding scratch offs and gift cards was a big hit. Once again Ridge Realty donated a lovely, fully packed basket as a door prize. Thanks again Ridge Realty!

Every inch of Willow Hall was alive with activities, amazing gifts and people having a good time. What a great day for everyone as they played their favorite games. It certainly was a huge success for all. Of course, none of this could have happened without the expertise of the committee people and all the many helpers on that day. A great big thank you goes out to all of you! Great job!

Now it is back to rehearsals to fine tune all the great music we will perform for everyone who chooses to attend one of our three concerts. Go get your calendars/I-phones etc. and mark these dates down:

Friday, **June 7**, at 7 pm

Saturday, **June 8**, at 7 pm

Sunday, **June 9**, at 3 pm

Remember it is our 45th Anniversary this year and the concerts will not disappoint. So, do not miss them. You can purchase tickets from any Westernaire or at the door at Willow Hall where all the concerts will be performed. Ticket price is still only \$5 per person per show. Come help us celebrate!

West Village Players

By Judith Carelli Stout

It's really here! It's May, "the merry month of May" as Guinevere and Lancelot sang in Camelot. Aren't we lucky that we have so many wonderful musicals like Camelot written by Alan Jay Lerner and Frederick Loewe? Oklahoma, The King and I, South Pacific are full of beautiful music which all started in Richard Rodgers and Oscar Hammerstein's brilliant minds!

We've purloined some of the music from our great musicals and added them to our upcoming spring production, "The Flying High Lounge". From a hard drinking, woman loving salesman to an over the hill star of stage and screen, a gossip columnist who discovers a lost love, and a writer who combines his travel books with romantic interludes, The Flying High Lounge has brought them all together to wait out a flight delay. Combine passengers with the hilarious couple celebrating their 40th wedding anniversary, a military man longing to be back on his tropical island, three friends out for a good time, a couple of dancers who have hit the jackpot and two hostesses who must keep their spirits high and the bar open have their hands full!

Call Lillian Haase at 732-285-8615, Arlene Finlay at 973-584-3465, or Barbara Pringley at 732-657-1040 for tickets to this production which will hit the boards on Friday, **May 17**, 7:00 pm; Saturday, **May 18**, 7:00 pm; and Sunday, **May 19** at 3:00 pm in Willow Hall. The ticket price remains at \$7.00.

If you haven't joined the LVW Players Club, it's not too late. Dues are only \$5.00 for the year. We have some great entertainment for our upcoming monthly meetings. On **May 28**, Tuesday evening at 7:00 pm, we'll be playing "What If..." "What if" you were offered one million dollars with only one stipulation, you could not use the word "I" for a year, what would you do? "What if" you saw an old friend while you

were enjoying a romantic dinner with her husband... what would you do? Curious? Then join us at our May meeting for an evening of wild improv!

You certainly won't want to miss June's meeting when Nick Addeo will again join us with his beautiful voice and memories of the great doo-wop era. The Lorraine Metro scholarship winners will perform for us at our July 23 meeting. This is a great chance to see young talented performers from the High School of Performing Arts who have been awarded scholarship money by us. In August, we will hold auditions for our fall production and on August 27th, we will be holding our annual Summer Social. More information on our monthly programs will be given in future columns.

All the money raised from our productions and fund raisers goes to present quality entertainment to our members and provide funds for our two yearly productions. Your support is greatly appreciated and we are always looking for those of you who have a desire to either act, build sets, work with costumes, work with the refreshment committee, or write a play you'd like to see produced!

So just remember, "All the world's a stage, and all the men and women merely players." Are you a player?

The Greenbriar Woodlands Irish Dandy Dancers entertained at the March 26 LVW Players meeting. Dancers are Peter Ascolese, Linda Chapurtinow, Eileen Dandorf, Kathleen Nolan, Mary O'Brien, Arline Palm, Marian Schwartzbach, and Rosemary Scott.

LVW Helping Hands

How You Can Assist Us

By Peggy Hathaway

In a previous LVW News article, I wrote what Helping Hands can do for you. The following month the topic was what we don't attempt to do. Lastly, I want to point out ways you can help us when you ask for help.

First, when you phone in to our answering machine, please speak slowly. We need to write down all your information on a form. We want it to be correct, especially for the handy volunteers who need the right phone number and address to reach you. Even if your name is Smith, please spell it s-l-o-w-l-y as the instructions request.

To help us, let us know what times over the next few days you will be available to be reached by phone. By omitting this information, our volunteers frequently have to make many calls to reach a resident.

If you need to have an item replaced, such as a light bulb, we expect that you will provide that item.

We do not accept personal donations, but if you wish, we would appreciate a donation to the organization itself. Helping Hands has mailboxes at both Willow Hall and Club Encore. If it is a hardship to get your donation to a clubhouse, you may ask the volunteer to put it in the mailbox for you. Donations support our annual volunteers' luncheon.

Lastly, if someone else completes the job you requested from us before we are able to, please call in to the Helping Hands number (732-657-2842) and tell us that the job has been taken care of. We appreciate your help in making our work easier.

Over the years, Helping Hands has developed a program of lending used handicap equipment to those in need. Equipment includes wheelchairs, walkers, canes, crutches, commodes, shower chairs, etc. We now have our own shed to store We now have our own shed to store our equipment. If you are a resident and in need of one or more of these items, phone 732-657-2842. If you have a piece of equipment to donate, check with us to learn if our shed has room to accommodate it. Thank you.

In March 2019 we were still missing our snowbirds and the cold weather kept a lot of people home. Still, we had 4 sessions of 4.5 tables and 4 sessions of 4 full tables. The March 19 meeting of the Caritas Guild featured our annual food drive for St. Vincent de Paul Society Council of St. John's Church in Lakehurst. Once again, members were very generous.

I want to thank all who helped pack up and load two vans to the maximum for the delivery of food to St. John's where it will be handed out to needy area families.

We had two vacancies open on the board: assistant treasurer and program person. Sheila Michaud stepped up and volunteered to be assistant treasurer in addition to her job as sunshine person. Thank you, Sheila. A program person is still needed. Bernice Kropkowski has done a great job filling in temporarily, but we now need someone full time. As I mentioned many times, the board will help you and we also ask members to help with any suggestions for entertainment or speakers. Even though Bernice has so called "retired", I am sure she will walk you through the job. We only need programs for five meetings.

As Bernice was absent from the March Membership Meeting, I was asked to introduce the

great entertainment she slated for this meeting, namely John and Rose Bello. John started out the program with some funny family stories which was very brave of him since he had some family members in the audience. Before introducing each song, John gave us some trivia relating to the song. The first song by Rose was "I've Got Rhythm" followed by John singing, "Silhouettes." All of their songs brought back such memories. There was an excellent solo by Rose, "The Way We Were" and John's rendition of "Sh-boom" had all joining in the chorus. The duet by John and Rose, "Tonight I Celebrate My Love For You" was so sweet and touching. The couple finished the performance with "Making Whoopee," ending this enjoyable event all too soon.

Tickets will be sold at the May meeting for the **June 18** installation of officers. Or you can call me at 732-323-3666. A mass at St. John's Chapel will be followed immediately with a brunch at the Clarion Hotel. Cost: \$16.

Mother's Day is May 12. Wishing all the mothers a Happy Mother's Day.

Italian American

Social Club

By Kathy Maiocco

Ciao a tutti! (Hello everyone!)

Spring is in the air, so Happy Spring to one and all! Have you thought about joining the Italian American Social Club (IASC) for some great fun and meeting new residents and friends? If not, what are you waiting for? If you think you have to be of Italian descent, you do not. Please don't let that scare you. I'm Irish and Hungarian with a few other nationalities "thrown in" and I never feel like a stranger in this club. We do share many experiences of growing up Italian or celebrating some traditional Italian feast days, but all are welcome to join, mingle and have a great time. If you are not Italian, it's an opportunity to learn about a different culture and traditions.

At our monthly meeting in March, we celebrated the Feast of St. Joseph. Our past president, Eleanor Berardis, recited a beautiful rendition of the meaning of all the articles that are traditionally placed in celebration at the shrine of St. Joseph. Joe Ercolino, current club treasurer, read the blessing and we all enjoyed delicious traditional St. Joseph's Zeppole while listening (and dancing) to the sounds of Lou Abbato. A great night was had by all. But, if you missed out, please consider joining the club for next year's event.

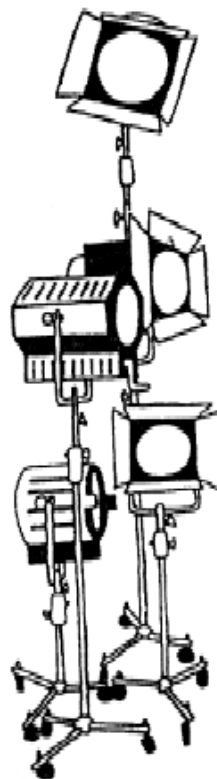

A member's only meeting will be held on Monday, **May 20** when we will celebrate all moms and grandmas. Please be sure to join our club prior to the meeting, so you can join in the fun festivities and you can be honored for your endless dedication to your families. For newcomers, a member's only meeting denotes a paid member of our social club prior to the time of the member's only function. So, sign up soon!

Tuesday, **May 21** is the next IASC A/C trip to the Golden Nugget which is open to all. Please contact Eleanor Berardis at 646-330-7152 for tickets. See flyers in both club lobbies.

Come join the Italian American Social Club and enjoy all it has to offer! We don't think you will be disappointed and are sure you will meet new friends and neighbors.

KLWV Update

by Mike Morizio, Station President

KLWV, our very own TV station, is on the air 24 hours a day, seven days a week on channel 1975. Informative and entertaining programs are produced right here by our LVW resident volunteer staff. In addition, there are classic movies and TV shows from television's golden age.

Here are just a few of the shows we are featuring this month:

- Week of May 6 - "Great Eats with Renee Sharkey, Union Cafe" - Host Renee Sharkey visits this Lakehurst coffee shop and finds out how they make their incredible waffles!

- Week of May 13 - "KLWV Then and Now" Jeffrey J. Scott chats with Richard Saylor and Mike Morizio about the past, present and future of our TV

station.

- Week of May 20 - "Village Tales" Host Mike Morizio wanders our village with his camera to bring you stories of the people and clubs that make our community special. This episode features "The LVW Pickleball Club," "The Ladies of the Billiard Room," and "The Roving Reporter."

Do you have a suggestion for a show you would like to see us do? Please write our Director of Programming, Janice Saylor at klwv15@gmail.com.

Want to become a volunteer on our staff? Drop by our studio (located behind the stage in Willow Hall) any Friday morning or write Mike Morizio at mike@morizio.com. No experience is necessary, we will train.

Volunteers in Service to Our Neighbors

By Kathy Maiocco

Spring has sprung by now! Are all those April showers bringing you beautiful May flowers? I sure do hope so. This brings me to a thought. Let's use "April showers brings May flowers" as an analogy for VISTON volunteers helping those in need. "April showers" can be seen as our neighbors who are in need of help due to circumstances beyond their control. Their lives were "rained upon" for one reason or another we may be unable to drive. Other members of our community can serve as volunteers for VISTON by assisting neighbors with light shopping or medical appointments. The volunteers are the "flowers" of hope for our neighbors in need and can brighten up their day as does all the beauty of the budding May flowers. So how about being a "flower" in someone's life? Become a VISTON volunteer. Such a rewarding service only requires an hour or two of your time each month, but gives a lifetime of rewards.

For new residents, a synopsis of this acronym VISTON: Volunteers in Service to Our Neighbors is a service in LVW comprised of office staff volunteers and drivers who provide rides to medical/dental appointments, blood drawings, and minimal shopping for those who can no longer drive themselves. The area covered by VISTON is limited to within a ten-mile radius of Leisure Village West. Because time is needed to contact a driver, it is required that our office be notified a minimum of two weeks prior to the actual appointment time. Please note: Drivers DO NOT accept any payment for their services; however, all donations to VISTON are greatly appreciated.

Remember, if you need help or want to volunteer, the VISTON office is located in Willow Hall and is open Monday, Wednesday and Friday from 9 a.m. to 11 a.m. You can visit the office during these hours or you can phone at 732-657-1818 either to request help if needed or, hopefully, to become a volunteer.

Thank you for your support!

Men's Tuesday Bowling League

by Sid Klotz

The end of March, 2019 completes 12 weeks of the "second season" with only 4 more weeks to go. The Colts lead by 7 points after going 21-7 in March. The Redskins went an amazing 24-4 to move from 9th place to 4th. The Bills have a "second season" won-lost record of 42-42. Only 5 teams are above that, and 8 teams are below that. A very strange season with 100% handicap.

The same 4 men lead the league in average, all between 194-198: Bob Horn, Ray Nasto, Rich Quaghariello, and Bob Kaplan. Ray Nasto's Browns are in 3rd place, but Bob Horn's Jets are in 11th place and Rich and Bob's Sea Hawks are in 13th place. That 100% handicap is an equalizer. There were a number of big games and series in March, but none were comparable to Ray Nasto's performance on March 5, 2019. Ray bowled games of 266, 246, and 245 for a series of 757. The Browns were 7-0 that week.

Other than Ray's explosion, there was little change in high games and series. In June, unless we get snowed out for a game or two, I should be reporting the winners.

The standings on March 26, 2019, after 12 weeks of the second season:

<u>Position</u>	<u>Team (Team #)</u>	<u>Won</u>	<u>Lost</u>	<u>Position</u>	<u>Team (Team #)</u>	<u>Won</u>	<u>Lost</u>

Thursday Mixed Bowling

By Sid Klotz

At the end of March 2019, we had completed 29 weeks out of 32 – just 3 weeks to go. Team DeLello (John) has a 12-point lead over Team Bucci, after DeLello went 23-5 in March and Bucci went 11-17. DeLello needs only 10 points out of 21 remaining to keep finish first. Team Bumbaca also went 23-5 in March to move up from 12th place to 10th place. A strong April could vault them as high as 4th or 5th. Other teams with a strong March were Team Hansen (Art) with 20-8 record pushing them from 9th place to 7th, and Team Johnson going 19-9 to maintain 8th place. Team Cimino (Artie) and Team Luce also had a positive March with 17-11 records.

Bob Horn and John DeLello continued on their torrid paces, raising their league-leading averages to 204.56 and 195.49 respectively. Art Hansen and Rich Harvey continue to pursue them with averages of 193.59 and 191.25. Lil DeLello, Connie Pullen, Barb Wilkes, and Louisa Viel continue to lead the women in average.

Art Hansen joined John DeLello and tied for second high game at 266, and Art passed John for second on the men's high series with a 687. Otherwise, men's and women's high games and series remained the same. Outstanding games and series in March: Art Hansen had games of 266, 219, 202 for a 687 series; John DeLello scored 245, 224, and 198 for a 667 series; Ray Luce came in at 242, 202, 201 for a 645 series; Bob Horn bowled a 226, 221, and 194 for a 641 series; Rich Harvey scored 211, 209, 204 for a series of 624. Don McIlwrath had a 221 game, Rudy Bucci a 213, Bob Lemay a 211 and Art Cimino a 200. For the women: Connie Pullen had a game of 203 and a series of 531; Barb Wilkes bowled a 201 and series of 527; Lil DeLello had 187 and 183 leading to her to a 511 series. Kathy Leshko had a 180 game, Cathy Hansen a 172, Louisa Viel and Marie McIlwrath each bowled a 168.

The standings after 29 weeks (out of 32) ending March 28, 2019 are:

Fishing Club

By Jim Larsen

Well, it's the end of March and I'm writing May's article for the LVW News. Just finished reading up on quotas for this season's fluke harvest and I'm worse off now than I was before I read the article. Honestly, I read this thing 5 times and I am no wiser than I was when I picked up the paper.

It says that the new specifications for 2019-2021 have been approved and the quotas will be going up by several million pounds, but it's not going to benefit us. Looks like it goes to the commercial fishermen and not us. Our limits of 3 fluke at 18 inches will remain in effect and, you know what, that's ok with me because I'm happy if I come home with one fish. So, when I'm standing at the rail hauling in my one "mother of all fluke" I will be happy.

On a different note, have you ever meant to do something for a long time and then regretted not doing it sooner? That was me over these winter months. Each day when I drove down my street, I would pass Bill Delahoyde's house and promise myself that I would stop by to see him tomorrow or next week, but I would get there no matter what happened. Bill was a long-time member of the fishing club and over the years he was very active. He was always ready to go out on a boat or just cook hamburgers at our picnics. He didn't stop there. Even when Bill knew his health was failing, he still volunteered to be vice president of the club.

As time went on, because of failing health, Bill stopped coming to meetings. He still wanted to know what was going on, so he gleaned that info from Larry Kramer, Ted Oesterle and not enough times, me. Bill never had a bad word for anyone and enjoyed the heck out of the visits.

One day, a few weeks ago, I noticed quite a number of cars at Bill's house and I sensed that something significant was happening. So, I called the house and his wife Jane answered the phone. I apologized profusely for not calling Bill earlier at which point Jane began to cry, apologized and gave the phone to a relative who informed me that Bill had passed that evening.

We all learn some lessons the hard way. If you think it's time to see old friends, do it. Don't wait until it's too late to tell them how you enjoyed their company and how there is always a little corner of your heart or mind where you have tucked away memories of them. Goodbye Bill, we all miss you.

In Flanders Fields
BY JOHN MCCRAE

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

Let's Get Started!

By Lois Hetfield

I hope you are all warmed up and looking forward to our 2019 golf season. Following is a list of our official May Tournaments along with the captains and their phone numbers for those particular tournaments. If you have a change in plans after signing up for a tournament, please call the captain (not Linda) as soon as possible so she can make the necessary changes.

Wednesday	May 1	Low Gross	Lois Hetfield	908-337-5550
Thursday	May 9	Low Net with a Twist	Betty Farrell	609-472-6050
Thursday	May 23	Casino Golf	Barbara Corrigan	201-264-3943

Fun Golf will begin on Wednesday, **May 22**, at 8:30 am at Willow. This non-competitive format is open to all. It is a great practice round because you can keep score or not, as you desire. Simply form your own two-some, three-some or four-some with whomever shows up. This will continue on Wednesdays throughout the season.

The ladies' golf luncheon is Monday, **June 17** at the Clarion on Route 37. Anna Horn and her committee always do a spectacular job running this not-to-be-missed event. Tickets are \$28 and are available from Anna. You do not have to be a golfer to attend. Mark your calendar now!

LGBTQ & Friends

by Wayne Steinman

We are pleased to see that the number of people attending the newly formed LGBTQ & Friends is growing. So much so that we moved into Willow Auditorium! We welcome our Lesbian, Gay, Bisexual, Transgender and Questioning (LGBTQ) villagers, folks who have lesbian and gay children and our supportive neighbors. We also appreciate members of the LVW Board of Trustees who come to lend their support and encouragement.

At the April meeting we discussed ideas for future gatherings and the upcoming 50th Anniversary Gay Pride Month in June. What remains clear is the LGBTQ group was necessary and a long time in coming!

Our gathering is a safe space to meet and socialize with our friends and neighbors without fear of judgment based on sexual orientation or gender identity. We meet monthly, on the second Monday of the month; next gathering is **May 13** at 7 pm in Willow.

First Aid Auxiliary

By Maryanne Roesler

Thanks to all our supporters! You all make such a huge impact for the Manchester First Aid Squad! The LVW First Aid Auxiliary has a wonderful schedule planned and we hope to see you at our meetings and fundraisers! For April's meeting, we had Daryl O'Connell from Allaire Village. In May, we skip our monthly meeting so that we can host a fundraiser card party on **May 8** from 1-4 in Willow Hall with a gift auction, refreshments and 50/50. Tickets are \$5. We encourage everyone to attend. Bring your friends and play any game. Maybe you'll win a prize from the auction! If anyone has any new items they can donate for our auction, please call **Maryanne Roesler** at **732-408-6798**. This event makes up a major portion of our donation to the Manchester First Aid and Rescue Squad, so your help and donations are appreciated. For June, we have scheduled Kelly DeLeon from Monmouth Medical Center South Campus who always delivers an interesting and important talk about medical topics. Finally, we have scheduled a bus trip

to The Sands Casino in Bethlehem, PA on Sunday, **June 2**, leaving Encore at 9:45 am. Tickets are \$45 per person with \$30 in slot play (no food voucher). You will enjoy gambling, outlets, restaurants! Please, contact Carolyn Thompson at 732-276-2764.

The Manchester First Aid and Rescue Squad is having a fundraiser on Saturday, **May 11** at 7 pm at Manchester High School featuring Ruby Shooz! Please call the squad for info and tickets.

Our auxiliary also offers another feature to help you donate to the squad in memory of someone or to celebrate an event. Please contact Joan Locovare at 732-323-0650 if interested, or call any member of the First Aid Auxiliary Board.

We hope you will consider joining this worthwhile club and support our events and trips. Every dollar goes to support the First Aid Squad, and chances are, if you dial 911, they are the ones who respond. Thanks for your past support and hope to see you all at our events and meetings. Also, club dues are due! Please watch for an interview with the president of the First Aid Auxiliary, Sue Ippolito, on our local channel or lvwcreeper.com.

Smartphones – Tablets – Smart Home Devices

By Anne Niebergall

Thursday workshops for this month will be **May 2, May 9, May 16, May 23** and **May 30**, at 10 am and Saturday, **May 25** at 2 pm in Club Encore. The workshops are open forum with questions and answers covering PC's (Windows & Mac), smartphones (Android & iPhone), tablets, Alexa, Echo, Siri and much more. Remember to bring your questions and devices.

The general meeting will be held on Tuesday, **May 14** at 10 am in Club Encore. Our guest presenter is Dr. Chana Lerner from HeartUSA in Toms River. Dr. Lerner, who holds a number of degrees in audiology, will discuss services for hearing loss such as hearing aids, smartphone apps for adjustment and CapTel captioned telephones which are available free through Medicare.

Smartphones can be extremely helpful in keeping track of medical information. On an iPhone, use the

health app which is designated by a red heart icon to track activity such as steps walked and keep lab records. You can also use the medical ID section to enter your medical information and emergency contacts. The app also gives you the ability to signal for emergency services.

Some added features when combined with an Apple Watch 4 include tracking your heart rate and using the Cardiogram App to aid in A-Fib detection. Other peripherals such as blood pressure devices will connect and store information for review by a physician. Stay tuned as new applications are coming daily that can aid in our health and wellness. Having a difficult time keeping track of all your medications? Drugs.com is a free website and app for both Android and iPhones. It helps manage your prescription drugs and provides important details of most medications, such as side effects, conflicts with other medications and much more.

Club members can read additional and more detailed articles containing information for keeping track of one's medical information on our members only face book page: CCLVW. All Club members are invited to join.

Look for the LVW Computer Club table at club day on Friday, **May 10** in Club Encore. Several of our knowledgeable club members will be available to discuss the benefits of becoming a club member.

Reminder: Willow Hall Parking

Thirty minute parking spaces at Willow Hall are reserved for residents conducting limited transactions within the clubhouse. We ask that all residents comply with this regulation.

LVW Service Club

By Nedianne Koch Schwartz

Welcome back to all you devoted members who are returning after the holiday hiatus-- December through February. Our March 26 meeting was great fun. We were entertained by our own village resident, Ron Owens, with jokes, his wonderful accordion serenade and audience sing-a-long participation. We enjoyed such fun oldies as *Meet Me in St Louis*, *Song of the South*, *Take Me Out to the Ball Game* and many more. For those of you who do not know Ron, he has organized groups such as "Because It's Thursday" which meets every Thursday evening at 6:30 pm and a Bereavement group.

On April 6, we had our annual fundraiser with a fabulous musical ensemble called "Our Gang Treblemakers". Spirits were high, the audience enjoyed themselves and the evening was a success. Proceeds went to funding many necessities such as oxygen used by our residents in emergency situations, defibrillators in the club houses and much more.

Dues are still only \$5.00 annually with a great wake-me-up breakfast at 9:30 am followed by the 10:00 am meeting. Please support the Service Club. We need you and all the people we help need us. So, come and join! The next meeting is Tuesday, **May 28, 2019** at 9:30 am.

Ron Owens provided entertainment for the LVW Service Club. Marilyn Walters is President of club.

Columbiettes 9134

By Maryann Koeppel

Our next meeting will be **May 13** at Club Encore. Connie Emmino is this year's Election Committee Chairperson and nominations were taken at the April meeting. We will install our board at our **June 10** meeting. If you are interested in serving on the board in the position of secretary, please contact Connie.

We are looking forward to the New Jersey State Convention being held at the Embassy Suites in Parsippany, NJ, in June. Our president, Kathleen Robinson, is the co-chairperson for this year's event.

We are always looking for donations of any school supplies for needy children and toiletries (toothpaste, soap, toothbrushes and other needed items) to help us make zip lock bags for the homeless in our communities.

Since the collection of school supplies, toiletries and tabs from pop-up cans for the Ronald McDonald house are an ongoing monthly charity event, we will be collecting these items in the Club Encore lobby before all our monthly meetings.

Monthly meetings are for Columbiettes only, unless otherwise noted, and are held on the second Monday of each month. Just a reminder: if you have not yet paid your dues, bring them to the next meeting.

Our first degree, held in March, for three new Columbiettes.

Ping-Pong Club

A Club Where Everyone Knows Your Name

By Wynn Faulkner

A new LVW wrinkle on an old game

Ping-pong originated in Victorian England. It is thought that British military officers in India began the idea in the 1860s or 1870s and brought the game back to England. These officers used books, placed on a table, as the net; other books were used as paddles. They used a golf ball to play the game--watch out for the windows! With some improvements in the equipment, ping-pong grew in popularity, so that by 1902 an unofficial world championship game was held. These facts are courtesy of Wikipedia on table tennis. This game has certainly been with us for a while!

While here at LVW, we do not have any of the champions from the first world championship, we do have enthusiastic competitions. Normally the ping-pong competitors showcase their skills at the four tournaments each year. Now, added to the

tournaments, Barrington Gooden introduced the idea of team play. During the months when there are no tournaments, team play happens once a week. There will be matches --combinations of singles and doubles-- between members of the two teams that come that day. Each victory will earn a point for the winning team. The points will be tallied during the year and the team with the most wins will receive a trophy at the end of the year. The captains of the teams are Bob Nucci and Greg Prelich.

Team play commenced on the last Friday in March. At this writing, this was the only team competition to be held. It was a success with over 20 players ready to slam and spin and gain victories for their team. There were 7 doubles matches with Bob Nucci's team earning 12 points to Greg Prelich's team getting 7. This made it even more of a success. You probably can't tell which team I play for! As Barrington stated – this is for fun! So, come out and enjoy the competition.

Members, for your information, the spring tournament will be held on **May 7, 10 and 14** and the finals on the **17**. On **May 31**, at 2:00 pm in Leisure Fair, there will be a general and awards meeting with pizza included.

Expectation and excitement can be seen with the spring LVW Bocce Season commencing this month. Play kicks off on Monday, May 6, at 9 am when the men's league, coordinated by Rob Lombardo, takes to the courts. The home team, led by Anita Marchetti and Ellen Jenkin, follow on Thursday, May 9, at 9 am. Rounding out the spring season is the women's league, coordinated by Karen McGinley, which begins on Friday, May 10, also at 9 am. Our traveling team starts their season on Wednesday, May 8, with Bill Buford and Karen McGinley taking charge. This talented group competes against other retirement communities in Ocean County every Wednesday throughout the spring and summer. Residents who wish to play on any team must be paid-up members of the Bocce & Social Club.

Our club has a variety of special events in May. Our first event is an open house which takes place on Friday, May 3, from 9 am until noon at the bocce courts near Encore Clubhouse. Instruction will be given in play as well as the game rules. All residents are welcome to attend and participate in the practice games. Seasoned members will be there to instruct and answer any questions. Join us for a fun morning.

Club Day will be held on Friday, May 10. Residents can become better acquainted with the various clubs and groups and join any if they wish. Finally, on Tuesday, May 14, our mixed singles event takes place at 3:30 pm at the bocce courts. All club members are welcome to come out, have fun, and enjoy the afternoon activity.

On Monday, March 4, the general membership listened to the music of Anthony Didio accompanied by his friend, Tom, on the keyboard. Working from the clubhouse floor rather than the stage, Anthony's melodious voice resounded throughout the room with music from various decades. The audience heard songs such as, "I Love You Baby", "The Wonder of You" and "Copacabana". The group thoroughly enjoyed the evening. Thank you, Al Carnegie, for always providing

a variety of entertainment.

A special thanks to Camille and Gene Cecora for coordinating the April trip to Atlantic City. Everyone had a wonderful day and thoroughly enjoyed the entertainment provided. Another excursion is scheduled for July.

Just a reminder! Our next general meeting will be held on Monday, May 6, at 6:30 pm in Club Encore. Sign-up will take place for the Harry Nagel Leagues which begin in July. There are day and evening leagues during the summer. The annual Bocce Club picnic will be held on Thursday, June 27, from 12 to 4 pm. A "Night at the BlueClaws" will be held on Friday evening, July 26. There will be fireworks afterward. The cost is \$10 and tickets go on sale at the May general meeting. See you at the courts!

Hot Topic MAY Meeting!

By Roberta Klotz

Ocean County Assistant Prosecutor Alyssa Mandara of the Ocean County Prosecutors Office will be speaking on Hate Crimes and Bias Investigations on **May 2, 2019, 7:00 pm** at Club Encore. Ms. Mandara, a practicing lawyer since 2013, has had a diverse career with the Prosecutors Office. Ms. Mandara has handled criminal cases and is now in charge of bias and intimidation crimes. Won't you join us for this informative and topical meeting?

Did you make it to the first annual Canasta Tournament ORT sponsored in April? Trying new events is not new to ORT. More than five years ago Village West ORT started the annual "Walk for ORT" in Leisure Village West. The idea has caught on, and other ORT chapters have taken to "Walk for ORT"! Our Walk will be held on Sunday, **May 5**, and it is not too late to "Walk for ORT" and enjoy a stroll from Club Encore to Leisure Fare and have a great lunch for a \$25.00 per person contribution. Rides available, if you need one. Contact Susan at 732-854-7397 or Ronnie at 732-408-1684 for more information.

Interested in joining ORT? Contact Ellen Jenkin at 732-657-4414. Need cards to commemorate a happy or sad occasion? Contact Arlene Glasman at 732-408-1842 for beautiful 12 Tribe certificates or order memorial cards from Tilda Herman at 732-323-0089 or June Greenberg at 732-323-0034. If you shop at any ShopRite get your ShopRite Gift Cards from Penny Peters at 732-408-9099 or Janice McDonnell at 732-408-9696. All funds raised by Village West ORT go to ORT America to provide students in underserved communities with access to high-quality education so they are better positioned to enter the job market with marketable skills, become leaders in their own right, and invest back into their communities.

Due to Manchester Township's current Energy Aggregation contract ending on June 30, 2019, the Township recently went out to bid for a new third party energy provider who could offer electric at a lower rate than JCP&L.

Unfortunately, due to current market conditions, the Township did not receive any bids that the Mayor and Council felt would provide the residents ample savings on their electric bills.

Since the last energy contract was so successful, saving residents in the program an aggregate of \$2.5 million over the life of the contract, the Mayor and Council will continue to monitor the markets to prepare to go out to bid in the near future. Until then, residents in the energy aggregation program will be returned to JCP&L as their energy provider on July 1, 2019, without any action needed to be taken by the residents.

If and when we do secure a new contract with a third party energy provider, residents who were in the previous energy aggregation program will be automatically opted back in.

Just For Laughs Club !

Our Just for Laughs! Club continues to meet on the **second Sunday** of every month at 7 pm in the A&B Rooms of Willow. At our March gathering, we enjoyed video presentations of Candid Camera! April 1 was the "hi wholely" day of humor and laughter, so we celebrated it appropriately at our April 14th meeting by swapping stories of April Fools pranks. Candid Camera videos were so successful that Candid Camera Part 2 was featured at our April meeting.

Everyone is always welcome. Please join us!
There will be no meeting in May, but we'll be ready to jump right back in in June!

Pine Tree Needlers / Quilters

By Susan Viig

We are having so much fun making quilts and other various items. The following is a list of some of the projects we supported this year:

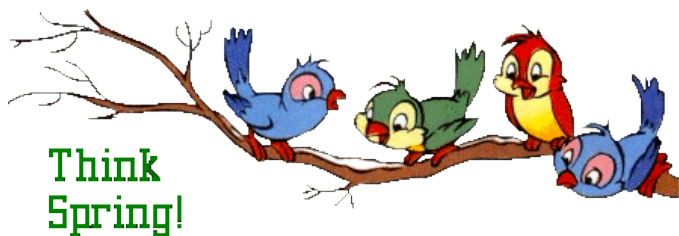

- Donated 12 quilts and 24 teddy bears to the Ashley Laurent Foundation which supports kids with cancer ages 2 – 18.

- Donated 150+ port pillows to various cancer treatment centers. These pillows protect the ports where chemo is administered.

- Donated \$1,000 to Manchester First Aid Squad. These monies were earned through various sales from items the group creates.

Besides creating, we have taken field trips to various quilt shops and signed up for classes to learn new skills. We partnered with the Arts & Crafts Club for the spring and fall sales. Hope you were able to come to the sale on April 12. Additionally, we will sell items at the Manchester Library Flea Market to be held on **May 4**.

Our members are of all levels of ability, so it could be a great experience learning a new skill. I, myself, have learned so much from the wealth of knowledge. If you don't have a sewing machine, we have several for sale that are very reasonably priced. Believe it or not, you can participate without a machine; there are projects that can be hand sewn. Even better, we have a closet full of donated fabric to learn on. Interested? Come join us **every Wednesday** in the ceramic room, Club Encore at 1 pm. Contact Naomi Webb at 732-657-5534 for more information.

Newspaper Recycling Club News

by Joe Ercolino

The message for this month is very simple: The recycling trailer is for paper products and only paper products. This includes: books (hard & soft cover), junk mail, catalogs, and of course newspapers. Newspaper should be tied tightly together in easy-to-handle bundles. Some of us volunteers are up in age and lifting heavy weights is not healthy for us. Oddly shaped papers, such as junk mail, can be placed in bags. We prefer paper bags.

Please note: we do not recycle plastic bags. Plastic bags must be separated from the recycling and thrown out. Please do not leave extra bags for us to dispose of.

Do not leave pizza boxes and other containers which have touched food. These contaminated goods attract rodents and other vermin. Please do not endanger our volunteers by leaving food in the container.

Note: the container is only for paper products. No metal. No plastic. No corrugated cardboard. No furniture, TVs, toilet bowls and other junk.

The Newspaper Recycling Club has raised and spent over \$300,000 for the good of our residents. Please do not do anything that will discourage our volunteers.

Thank you for your cooperation.

Joe.

Enjoy Spring with the Nature Club

By Phyllis Long

Spring is all around us. Interesting birds are passing through our area, or settling in to nest and raise the next generation. Trees and flowers are blooming again and nature is calling us out to enjoy it all. The Leisure Village West Nature Club sponsors walks right here in our village and field trips to outside locations with a variety of different natural habitats. Field trips to natural areas are announced at Nature Club meetings, on the LVW Creeper, and by e-mail to Nature Club members. All are invited to join these ventures and explore our local environment.

Nature Walks at Leisure Village West

A leisurely walk here in our Village, with knowledgeable nature enthusiasts, is an easy way to learn about and enjoy our natural surroundings. On these walks we will stop and look at any interesting plant, flower, bird, or other creature. During the first few weeks of May migrating birds will be the focus. Migration activity gives walkers an opportunity to see and hear species that do not appear here at other times of the year. All are welcome to join the group on Tuesdays and Fridays through May 17 and weekly on Fridays thereafter through the summer and fall.

To join the nature walk meet at 10:30 am in back of Willow Hall near the top of the ramp. Walks proceed down to the lake, exploring the eastern side of the lake and continuing along the Village perimeter toward Sterling Street. Walks last 1 to 1-1/2 hour, but walkers may leave at any time and some choose to continue on their own. Walks will be cancelled in the event of inclement weather.

Suggestions for nature walkers:

Do:

- Dress for the weather.
- Wear walking shoes. Walks include unpaved areas.
- Bring binoculars. If you do not have these, others will share.
- Step away from the group to answer the telephone.

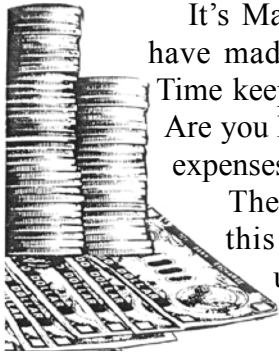

Don't:

- Don't bring pets.
- Don't hesitate to ask questions.

Come out and explore nature with friends and neighbors this spring!

Financial Information Club

By William Corrigan

It's May already, and somehow, we have made it through another winter. Time keeps on slipping into the future. Are you keeping up with your savings, expenses, investments, your health?

The stock market is doing well this year, so far. The Dow is up 11% with the S&P up 13%. However, the world economy is slowing down.

The European economy is of major concern with a forecasted GDP growth rate this year of only 1.4%. The United States economy is looking solid for 2019, with much hope for a US-China trade agreement in the coming months. Finally, the Mueller Report is finished. Now what?

Our thanks to Josh Jalinski and his team from Jalinski Advisory Group, our guest speaker for the April 16, meeting.

We will devote our **July 16** membership meeting to a panel discussion in an effort to generate thoughts, ideas, regarding the future of our club. All members, let's get together and brainstorm.

Elections for our board will be held during the **June 18** meeting; please turn out. Our new club year begins **July 1**. Renewal of dues can be paid on or before that date.

Please join us for club day to be held at Club Encore, **May 10**, between 10 am and 2 pm. New residents, please stop by and say hello.

PS: Check your credit FICO score at least once a year, it's free.

For further information, call William Corrigan at 732-408-6806.

Cooking Club

By Linda Sue Fischer

May is here. The cold is hopefully behind us; soon the pool will open. What better way to celebrate spring than with our Annual Club Tea? Our meeting this month is on Tuesday, **May 14**, in Willow Hall at 1 pm. It is at this month's meeting that we will hold our Annual Tea. The cost of the event is \$10--members only. If you would like to attend, please be sure to fill out your table form and submit it to a board member with \$10 before **May 7**. Or, place your fee in the Cooking Club mailbox. You are welcome to bring your own tea cup and tea pot. Also, bring your favorite tea to share. There will be assorted teas, tea sandwiches and desserts. Please be sure to wear your favorite hat. Our board members are planning a fun surprise!

At our March meeting, members were encouraged to bring a food that would bring back memories of a place, event or family tradition. There were many great-tasting foods to enjoy and an abundance of desserts. Several of our members shared their memories with the club:

Liz: "I grew up Italian. My father remarried a Polish woman. She introduced us to pierogis and kielbasa! We would go to the Polish butcher and get fresh kielbasa."

Al: "I remember living in Savannah, GA and eating honeyed wings with corn bread and cheese."

Lynne: "An old friend showed me how to make sausage roll-ups using pizza dough!"

Marge: "Mom would fry up the left-over corned beef and cabbage. It was terrible!"

Judy: "I remember seeing Mom at home eating date nut bread and cream cheese."

Linda: "I remember grandma's Yorkshire pudding. Unfortunately, I lost the recipe. Today I made baked beets – but not my fathers' recipe."

Lynn: "I made coconut chocolate chip bars or Hello Dolly bars. I made these because they are easy to teach my grandson to make!"

In April, we celebrated International Heritage Day with foods that remind us of places or events. There will be more on the April celebration in the June letter.

For our **October 8** meeting, we will be going back to the Brick Vocational School's Culinary Program, 350 Chambersbridge Rd, Brick. Sign-ups will begin in May and will continue to be available at our June and September meetings. The cost is \$10 and may be paid at the school by check or cash.

Don't forget your pretty hats and tea cups and teapots. We look forward to seeing everyone on Tuesday, May 14 in Willow Hall. You must be a member to attend this meeting. Our dues are \$5.

Getting ready for dessert.

Garden Club

Time For Planting!

by Yvonne T Huacuja

Gardening: April and May are truly busy times in the garden – spring has arrived and the garden is ready to welcome growing perennials and planting annuals.

- Fertilizing evergreens: hollies, azaleas and rhododendrons with Holly Tone; peonies and roses with a handful of bone meal. To avoid black spot spray with neem oil.

- Plant deciduous trees, evergreens, and shrubs soon before it gets too warm.

- Prune early spring flowering shrubs right after they have bloomed: forsythia, lilac, azalea, rhodos, and mountain laurel.

- Dig and divide early blooming perennials when foliage is 3”- 4” above the ground and plant summer blooming annuals after the last frost date (between May 5 and May 10 in Ocean County).

Heads UP! June is the Garden Club annual tour of LVW Gardens. Please call us if you wish to participate!!! Contact: Yvonne T Huacuja 908-278-1706.

Of special interest: The Veteran Nurses Association of Central Jersey gave a presentation about Hospice Care. The main take away is that Hospice is a program that can help patients and caregivers long before they are at life’s end and can make living far more comfortable. It also provides an additional 13 months of bereavement and supportive assistance to the surviving family and friends after the death of a family member or friend. For information call 800-862-3330. The members of the club made dozens of small flower arrangements for the VNA to take to the homes of their clients providing a touch of spring to patients and caregivers.

Next Meeting **May 28**. We plan a carpooling expedition to the Grounds for Sculpture in Hamilton Township (groundsforsculpture.org) near Trenton. Please contact Janis Marano at (732) 657-1926 for detailed information and also let us know if you will be driving or needing a ride. No general meeting at Willow. Per their website: “Access Mobile Tours are 45-minute tours with one of our docent-trained

Pet Club

By Mary Ann Koepfel

There is no meeting in the month of May; our next meeting will be **June 26** at 7 pm in Club Encore. The Pet Club is currently organizing a day trip to Morristown to attend the Seeing Eye Dog program, this is the world's oldest guide dog school. The location is approximately 1 1/2 hours from Manchester.

We are in the process of planning for our yearly Dog Day Afternoon to be held in October. This day will be here before you know it so we are asking for any new ideas or vendors who would be interested in coming to this event. Tables are only \$25 and it's a great opportunity to promote their products. We are in need of volunteers to help with all aspects of events throughout the day.

We are looking for donations of any kind for our November Tricky Tray.

This is your club and the board wants to make the meetings as enjoyable and interesting as possible. We are seeking your help with ideas for speakers. Do you know someone who would be able to speak to our club regarding pets? Perhaps someone knows a veterinarian who would be able to talk with us. Or a member might know of a groomer, vet-tech, or other pet care professional.

We encourage new members to sign up and remind all current members to renew dues which are only \$5 a year. The pet club now meets on the fourth Wednesday of each month at Club Encore at 7pm. You do not have to own a pet to become a member of the pet club. Pet Club members just need a love of animals and a desire to raise funds to support animals in need as the club achieves its mission.
