### Are you suffering from low back pain, herniated discs, or sciatica? MLS Laser Therapy is the cure you've been waiting for.

NorthEast Spine and Sports Medicine is pleased to be offering MLS Laser Therapy, an advanced, non-invasive, highly effective treatment for acute and chronic pain and inflammation.

Using breakthrough technology, MLS Laser Therapy is clinically effective for rapid relief of pain, inflammation, and swelling from a variety of conditions, including chronic back pain, sciatica, shoulder pain, arthritis, sports injuries, acute injuries and muscular/skeletal system trauma.

MLS Laser Therapy is painless and non-invasive. Many patients experience pain relief after 1 to 3 treatments. Each treatment takes an average of 8 minutes to complete. The average course of treatment is 7-10 sessions. Chronic pain and other conditions can be controlled with repeated, regular treatments.

### How it works

Unlike traditional laser therapy, MLS Therapy uses two wavelengths and a patented, robotic control system that delivers separate but simultaneous dosage of each wavelength. This creates a synergy that enhances the therapeutic benefits of the treatment.

### Community Manager's Report

Community Manager J. Schultz stated

that NJNG is making a last effort to bring gas into the Village. Residents along Huntington up to the Colonial gatehouse including Devonshire, Stamford, Finchley, Bosworth and Burtons Court will be getting marketing material soon. If they do not get enough people, they will probably give up on the Village. Residents are encouraged to go forward with it.

Community Manager J. Schultz reminded residents that we are under water restrictions. Watering is every other day based on your unit being odd or even, with no watering allowed from 10 a.m. to 5 p.m. and watering outside of those times for no longer than 30 minutes. No one should be washing cars. Use the least amount of water possible.

Community Manager J. Schultz informed residents that a subset of the Architectural Division was asked to look at the best way to handle the HVAC system at Club Encore. They met with different vendors and, at this time, they are proposing to go forward and purchase the units from and have the gas piping done by Toms River Heating and Cooling and have Curry Electric provide the electric for it. This expense is not to exceed \$240,000.00. It will be charged to GL#3230-Capital Replacement Common Buildings. Residents should have that in their package next time to discuss and hopefully move forward.

Service Manager J. Snyder updated residents on the Generator for Willow Hall. He is still waiting on a few quotes from plumbers and electricians. He is also working on the logistics and the permits. He is hoping to do the final reading at the July 18, 2018 meeting.

Mary Lighthipe gave the Recreation Report.

The business meeting was adjourned at 1:27 p.m.

# Ping-Pong Club

*A Club Where Everyone Knows Your Name*

**By Marie Lamberti**

## The History of Ping-Pong

The sport originated in Victorian England, where it was played among the upper class as an after dinner parlor game. It had several different names, including “Whiff-Whaff” and it has been suggested that makeshift versions of the game were developed by the British military officers in India or South Africa, who brought it back with them. A row of books stood up along the center of the table as a net, two more books served as rackets and were used to continuously hit a golf ball. The name Ping-Pong was in wide use before British manufacturer J. Jacques & Son Ltd. trademarked it in 1901. The name Ping-Pong then came to describe the game played using the rather expensive Jacques’ equipment with other manufacturers calling it table tennis. A similar situation arose in the United States, where Jacques sold the rights to the Ping-Pong name to Parker Brothers. Parker Brothers then enforced this trademark for the term in the 1920s making various associations change their names to table-tennis instead of the more common, but trademarked term.

The next major innovation was James W. Gibb, a British enthusiast of table tennis, who discovered the novelty celluloid balls on a trip to the US in 1901 and found them ideal for the games. This was followed by E.C. Goode who, in 1901, invented the modern version of the racket by fixing a sheet of pimpled, or stippled rubber to the wooden blade. Table tennis was growing in popularity by 1901.

In 1921 the Table Tennis Association was

founded in Britain and the International Table Tennis Federation followed in 1926. In 1933, the United States Table Tennis Association, now called USA Table Tennis, was formed.

In the 1930s Edgar Snow commented that the Communist forces in the Chinese Civil War had a “passion for the English game of table tennis.” Popularity of the sport waned in the 1930s Soviet Union.

In the 1950s paddles that used a rubber sheet combined with an underlying sponge layer changed the game dramatically, introducing greater spin and speeds. Table tennis was introduced as an Olympic sport in 1988.

## Board Meetings at the Pool

Leisure Village West expands its accessibility to Board meetings for all residents. We've started streaming Board meetings so that residents can watch the meeting live, no matter where they are, at the pool, on the beach or anywhere else for that matter. Truthfully, we wanted to start this years ago, but with the dreadful bandwidth you have at home combined with the crippling internet unload speed at Willow, it wasn't worth the effort. Now, due to the earlier start date for Fios, we've had no choice but to start streaming out of necessity. Once Fios reaches Willow Hall, all constraints will subside, allowing for unfettered streaming of Board meetings and more.

Faster bandwidth holds the promise of even more work, communications and entertainment. We'll have to work out all the details to take full advantage of this newfound bandwidth, in the best interest of everyone, but no doubt we will.

How do you stream the Board meetings? Starting in YouTube just search for lvwa.livestream and it should take you right there. While you're there, hit the subscribe button to get alerts when a new broadcast is available. Also, from what I understand, we can get a custom URL when we hit 100 subscribers. I think this will wind up being the one place to store all of the Board meetings, but we'll see how that works out.

We have two Board meetings a month, open to members, broadcasted live on TV, available on demand and now live stream. I don't think there are many communities that can boast this degree of accessibility to matters relevant to your membership in the Association.

## Community Channels

Hopefully, by the time you read this our community channels will be available on Fios. Your new bulk TV contract will include six community channels, up from the current three we previously enjoyed. Starting with channel 1970 moving through 1971, 1972, 1973, 1974 and 1975. They should also be available on your digital QAM TVs without a set top box, but channel locations may vary depending on TV manufacturers and models.

We'll still have a channel for Association news, the Club channel, and the front gate channel, but more will be added when they become available. I'm advocating for a Newcomers channel, to point our Greenhorn condominium owners and renters, first and foremost, welcoming them to our community, but also educating them on the intricacies and the nuances of condominium life, experienced here in our Village. I see this as especially useful for the most prominent problems or issues that ultimately is the root of concerns for the Association, you and your neighbors. KLVW has also expressed interest in having a channel for their broadcasts as well, freeing up the once crowded information on channel 12. Down the road a little, we'll see if we can augment the front gate channel, splitting the screen to show the other gates as well. Here's hoping this is old news by the time you've read this. and I've already made a OneCall heralding in the new channels. Wouldn't that be nice!

# Emergency Notification Committee (ENC)

Do you Nixle?

By Anne Niebergall

Founded in 2007, Nixle is a secured, identity-certified communication system connecting residents with agencies that serve and protect them. Residents can use Nixle to receive information ranging from critical alerts to community news. Residents can choose how to receive their information: by text message, by email, over the web or by mobile application. Nixle is not only for emergencies. Stay up to date on other information affecting your community and/or surrounding communities including traffic and weather alerts, safety tips and local crime information. Messages always include a priority level so you can immediately judge their urgency upon receipt.

This service is secure, reliable, easy to use, and more importantly, free; however, cell phone and data rates do apply. To begin immediately receiving pertinent information in and around our community, register at [www.manchesterpolice.com](http://www.manchesterpolice.com) or text your zip code to 888777 to receive text messages. Want more control? Create a Nixle account at [www.nixle.com](http://www.nixle.com) and tailor exactly what information you receive and how you want to receive it.

Are you interested in helping your neighbors and Village? Have you considered becoming a Revere or an Emergency Notification Committee Coordinator? We always welcome new volunteers. Drop a note in the ENC mailbox in Willow Hall with your name and phone number and one of our Core Group members will contact you.

We accept no responsibility for any advertisements. If there are any complaints concerning an advertiser, please contact them directly. If you receive no satisfaction, you can contact your Better Business Bureau or the Ocean County Department of Consumer Affairs.

## Volunteers in Service to Our Neighbors

By Kathy Maiocco

Wow, September already! Pretty soon we'll be complaining of the cold rather than the heat! I'm wondering how many of our residents may have needed rides to medical appointments, lab work or light shopping during the hot summer months? I was not one but I'm sure there were several. This is why we need volunteers! There may very well come a point in time when you are someone who needs these services. Please consider giving an hour or two a month to help your neighbors in need.

The VISTON office is located in Willow Hall and open Monday, Wednesday and Friday from 9 to 11 a.m. You can visit the office during these hours or you can call 732-657-1818 either to request help if needed or hopefully to be a volunteer. Thank you for your support!

## Garden Club

We celebrate our first meeting with a lovely Tea Party and the Installation of Officers for the coming year. Members and friends are invited to attend on **September 25** at 1:30 p.m. Please bring your

own teacups. Dues will be collected (\$6) and there will be a 50-50 raffle.

In June, back by popular acclaim, we held our Annual Garden Tour. We had the pleasure of visiting a dozen gardens in our Village. Each one is a lovely feast for the eyes, reflecting the personality and creativity of its gardeners. Over 40 people strolled through the gardens and had the pleasure of meeting and conversing with the gardeners. The last stop included light refreshments at the home of Linda Alston. To complete our day we gathered to rededicate the Butterfly Garden, now six years old. The Westernaires provided us with a musical interlude on this lovely sunny day and KLVW-TV filmed both the tour and the rededication ceremony. The video is available on Facebook and on lvwcreeper.com. This beautiful garden spot was started in 2012 and dedicated in 2013. This year we also admired the expansion of the garden to both sides of the maintenance gate thanks to the hard work of JoAnne Sheehan and the volunteers she has enlisted over the years. Thanks to all of you!

September Garden Tips from the Agricultural Extension Center:

- Dig up and cure tender summer bulbs when foliage turns brown. Store in a cool, dry place.
- Plant winter pansies and fall annuals such as ornamental cabbage and kale.
- Buy and plant spring flowering bulbs such as daffodils and tulips
- Make sure houseplants are pest-free before bringing them indoors
- Check to see if any houseplants are root bound. If so, remove carefully and repot.

**Friendship Tea**

This is the theme for the Caritas Guild’s first meeting after a record-breaking hot summer. The meeting at Club Encore is **September 18** at 2 p.m., when you are asked to bring your favorite teacup and a friend or two. There will be a fine assortment of teas as well as coffee. Dues will be due and are still \$3, same as in 1975 when Caritas all began.

As in the past years, school supplies will be collected on behalf of Kevin’s Kids for distribution to area school children. A school bus is always needed to pick up the generous donations. The entertainment for this meeting will be Circle of Drums which is being sponsored by Aristicare.

Start saving coupons for diapers for the **October 16** Baby Shower for Birthright. Items also needed are toiletries and clothing.

## Columbiettes 9134

By Maryann Koepfel

We hope everyone had a great summer. Our next meeting is Monday, **September 10** at 1 p.m. in Club Encore.

We will be holding a Jewelry demonstration instead of our meeting. This is open to all residents and will be our fundraiser for one of our charities. Jewelry will be done by Premier Design. Please stop in.

**September 27** is our annual Card Party/Tricky Tray in Club Encore. Doors open at 12 p.m. and Lucky Bucks is at 3:30 p.m. Lots of great gifts and loads of fun. Tickets are \$5 and can be purchased from K. Robinson or by placing a check in the Columbiette mailbox located in Club Encore. If anyone is interested in donating new items for this tricky tray, please contact K. Robinson, P. Cassidy or M. Koepfel. We will not be having a fashion show but would like to thank B. DePalma for all her work for previous shows.

We ended June on a high note. We hosted the Southern Chapter meeting and the state President attended. The State convention was fantastic. We walked away with five awards, the best one being the Founders award where we increased our membership

by 52%, the best in the state. Great job Columbiettes and to our President K. Robinson!

We are looking for donations of any school supplies for needy children and toiletries to help us make zip lock bags for the homeless in our communities (toothpaste, soap, toothbrushes, etc.). We are also collecting all tabs from cans for the Ronald McDonald house. Since the collection of school supplies, toiletries and tabs from soda cans are an ongoing monthly charity event, we will be collecting these items in the Encore lobby before all our monthly meetings or get in touch with Kathleen Robinson to donate.

Are you a Catholic woman? Want to have fun and make friends? Consider joining the Columbiettes which benefits the less fortunate in our communities and around the world. We are a unified body of Catholic women and an affiliated auxiliary of the Knights of Columbus Council. We meet every second Monday of the month at 1 p.m. in Club Encore. If interested in joining, contact our President Kathleen Robinson for an application.

## Current Events

By Adele Shuldman

We had another exciting month with so much to discuss and never enough time to cover it all.

Of course, the big topic was uniting all the immigrant children who had been separated from their parents and the judge's admonition about the time frame.

Then we were on to other matters, including Saudi Arabia constructing the first opera house and allowing women to drive cars; Defense Secretary Mattis maintaining troops in S. Korea; the proposed 5 cent tax fee on plastic bags approved by the Legislature, now awaiting Governor Murphy's signature; Capitalist Tim Draper's proposal to break up California into 3 states; the tariff war and its effect on all products, for example, Harley Davidson; Roseanne Barr's poor judgment and negotiations in North Korea.

Some Village topics discussed were the Trustee Meeting and the presence of the Town Tax Assessor to prepare our residents for the impending Manchester tax assessment; the Verizon-Fios installation and the coming Trustee election.

Who will fill the global power vacuum left by Trump and his decisions affecting our world-wide allies? Two hours is barely enough time to cover the myriad items that are prepared for discussion. So, if these pique your curiosity, join us. There is a seat waiting for you.

This month's meetings are **September 4** (because of Labor Day) and **17** in Rooms A&B, Willow Hall at 2 p.m.

### Irish Blessing

Tis the Best of good fortune  
I hope you will know  
And the best of good cheer  
As the years come and go  
Good friends ever near you  
Good luck to you too  
And good health to enjoy  
All I'm wishing for you.

Céad míle fáilte! (*a hundred thousand welcomes*)  
Can you believe its September already? Where did the summer go?

Our first meeting of the new season is **September 20** at 7 p.m. at Willow Hall. We are now meeting in the evening but still the third Thursday of every month. We have had many requests to change and maybe reach more residents.

Last season we had the wonderful comedy club fundraiser, which was a huge success. Who could forget March and the St. Patrick's Day Party? Food, dancing, singing and the fantastic award winning Irish Dancers. Closing the season with an outdoor picnic, catered on the patio at Willow. It was a beautiful day filled with people laughing and talking long after time was up. We were honored to have past President Bonnie and Bill McCarthy come and enjoyed the day with us.

Now with the new season, new officers and new board members we will open our first meeting with a salute to the flag, introduction to new and old officers and their titles. The menu will be faux Irish coffee, Irish soda bread, butter, coffee and tea. The best of all opening nights will be the Irish Dancers entertainment.

We are looking forward to seeing many of you there, make our new season a great one. Remember, we can always use help and volunteers at functions. Helping to serve food or whatever at meeting would be a big help and you can make it fun.

Dues are due at this meeting. Please come early to avoid long lines or better yet put a check with name and email address in our mailbox in Willow Hall across from the TV station.

## West Village Players' Club

By Judith Carelli-Stout

If you attended our July meeting, you are probably still talking about the performances of The Treblemakers. Our own Marie Wilcox's charming granddaughter wowed us with her rendition of "Consider Yourself" from *Oliver*, while the other vocals ranged from popular to western venues. However, the hit of the evening came from an 18 year old young man, Dakota Rider, who left the audience speechless with his renditions of two Andrea Bocelli favorites. His duet with a young soprano of "Time to Say Goodbye" was breathtaking, but his final solo of "The Prayer" had everyone on their feet. A truly amazing young artist who is not only a vocalist, but a director and producer. Because of his performance that night, he was invited to join the Sunday night performance of The Sociables where again his performances astounded the audience. He will be attending Ocean County College's performing arts program this fall. We hope that this is the beginning of a successful musical journey for this remarkable young man.

Our August "Summer Under the Stars" dinner dance was a huge success thanks to you who attended and members of the club who gave so much time and effort to its favorable outcome. The music, the man and the food, what a combo! As usual, Lou Bernardi and his partner kept us entertained and dancing all evening long! Thanks to The Blue Fountain for their delicious buffet that compelled us to get out on that dance floor and work it off!!

Hopefully by this time, we will have completed our auditions for our fall production of "The Speakeasy," an original comedy murder mystery by Charlotte Navatier. The performance dates are Friday, **November 2**; Saturday, **November 3** and Sunday, **November 4**. Times will be announced. It should be a fun show with mobsters, cigarette girls and sundry other shady characters coming and going throughout the play. We will need backstage help as well, so please volunteer to help!

September is the beginning of fall and school (and all parents' sigh of relief). We will celebrate on Thursday, **September 25** at 7 p.m. with LT Productions

of "Dear Abby," a comic look at the iconic newspaper advice columnist and her unforgettable letters.

Our bus is sold out for the October trip to Red Bank's Count Basie Theatre to see Phoenix Productions' version of "1776." It's safe to say that this play is one of the all-time great stage musicals even though there aren't many hummable songs in it. I've seen this done before by the same production company and it was flawlessly performed. The trip to Red Bank will take the place of our October meeting. We'll keep you guessing about our November program and since our December meeting date falls on December 25, it doesn't look like it would be well attended. Therefore no December meeting will be held.

If you have a desire to show off your talents, on stage or off, please talk to Lillian Haase or one of the board members and we will find a spot for you. We want all of our members to take part in some way in all our productions, because after all, "All the world's a stage and all the men and women merely players." Are you a player?

## Service Club

By Kathleen Robinson

September is here already! Where did the summer go?

We have many fun events coming up, starting with our monthly meeting where we will feature Ron Hyland on **September 25**. Breakfast is at 9:30 a.m. and the meeting starts at 10. We will also be selling tickets for our fundraiser in October. Cost is \$10 and the Sunday afternoon of music will be entertaining to everyone. Remember, we support the First Aid Squad so all your help is really helping you. Dues are \$5 for the year. Where can you get a monthly breakfast and entertainment for that? We meet every month, weather permitting. Think about joining us. At least you will get out once a month for food and laughter.

## Social Club

**Ciao a tutti!**

Our August 14 A/C trip to the Golden Nugget Casino was a huge success!

We hope you all have your tickets for our third annual San Gennaro dinner on Saturday, **September 15** in Club Encore at 6 p.m. If not, please contact Eleanor Berardis for availability. Monday, **September 17** is our regular meeting with registration at 6:30 p.m., meeting at 7 p.m. It is going to be a fascinating evening with guest speaker Author JJ Anselmo. You might remember JJ when he visited with us last year to speak about his book "*The Newsstand*." He has written another exciting book, "*Moonlight over Tuscany*" and will share some interesting tidbits about his latest work.

Here is a little taste of the suspense:

"What happens in Tuscany stays in Tuscany." Oh really? Well, at least that is what Marissa Dodd's husband tells her just before she is about to depart for a Tuscan cooking school in the summer of 2014. In essence, he is giving her a free pass to have a midlife fling during her three weeks of cooking classes; emphasizing that she will be more than 4,000 miles away. So, whatever might happen wouldn't really hurt him. The attractive 43-year-old former editor, already an excellent cook, is seeking to perfect her culinary skills and intends to write a culinary cookbook. She is not interested having a little fling. Yet, she soon discovers that romance is unavoidable in Italy because it truly is a romantic place. All is wine and roses until a murder occurs and she becomes one of the prime suspects who will become the next Amanda Knox if she does not cooperate!

Monday, **October 15** is our third annual bake sale in Club Encore at 6:30 p.m. Flyers will be available soon. Wednesday, **November 14** is our final A/C trip for 2018 to the Golden Nugget Casino. **November 19** will be a member only meeting at which time we will have elections and installation of new officers for 2019. Saturday, **December 15** will be our annual Christmas luncheon. Hold the date!

# Cooking Club

By Linda Sue Fischer

Always someone working in the kitchen.

Summer is waning. It's hot and the bugs are out. Many will be traveling for vacation. Most of our neighbors spend the day relaxing at the Willow or Encore pools. The smart ones are inside with the air-conditioning! All of us are

longing for something cold and delicious! And the Cooking Club has just the thing. Ice Cream!

Join the Cooking Club for our Annual Ice Cream Social on Tuesday, **September 11** at 1 p.m. in Willow Hall. Ice cream and toppings will all be supplied. No cooking this month. You will be able to sign up to join the club for dues of \$5.

There is no actual record of the first ice cream but many countries are credited with being the first to serve crushed ice or snow mixed with honey, fruit juices, goat milk, buffalo milk, cow's milk, fruits common to

Lucky Bucks sales.

a particular country like pomegranate, quince, orange flower water, wine and more. Depending on what country you are in, ice cream is also known as frozen custard, frozen yogurt, sorbet, gelato and various names common

to the country as Kulfi in India.

Ice cream is first recorded in the New World around 1744 at a dinner party given by Maryland Governor William Bladen as written by a guest. President George Washington enjoyed approximately \$200 worth of ice

cream in the summer of 1790. President Thomas Jefferson created his own recipe of creamy ice that resembles today's Baked Alaska. Dolly Madison served ice cream at President Lincoln's inaugural ball.

Membership sign ups.

The waffle cone is said to be invented during the 1904 World's Fair when an ice cream vendor ran out of cups and the waffle maker next to him was not selling his waffles. The waffle maker rolled up the waffle and ice cream vendor put the ice cream inside. They were a big hit. The ice cream sundae is said to be the result of ice cream parlors not being able to sell ice cream sodas on Sunday. So they took the carbonated soda out and called it a Sunday, later changed to sundae.

Member volunteers hard at work.

Today we can buy ice cream in hundreds of varieties and in many specialty stores. Ice cream is served in cups, cones, as sandwiches, on sticks and most popular on hot apple pie. You can get ice cream sodas, ice cream floats, and milkshakes. It's also baked as in Baked Alaska. Americans are credited with consuming the most ice cream in the world. Nearly 900 million gallons of ice cream were produced in America in 2015.

## Call for Nominations

We will be accepting nominations for President, Vice-President and treasurer at this meeting. If we do not receive nominations, we will no longer be able to continue as a club. Please consider running for one of the positions so we can continue providing great food and great company. Our elections will take place at our Thanksgiving Dinner in November.

## Arts Appreciation Club

By Vicky Polukord

We are pleased to announce that the Annual Residents' Art Show has been changed to Tuesday, **December 4** this year. The change was made to accommodate both presenters and members who work for the Board of Elections during our November meeting date. There will be a regular monthly meeting on **November 6** in Willow Hall.

Regretfully, the bus trips to the Newark Museum and Planetarium and the Grounds for Sculpture have been cancelled because neither trip had enough paid reservations to meet the obligations to the bus company. We were required to "pay in full" 30 days before each trip and neither trip came close to the minimum participation needed. We will strive to present all future bus trips at the first meeting of the new year.

At the September meeting we will be compiling the list of presenters for the December Art Show. Please see Vicky or Carmel if you wish to participate in this event. Last year we had 15 presenters and at least 80 visitors, so let's make this year's show even bigger and better!

## Men's Tuesday Bowling League

by Sid Klotz

The new season (2018-2019) begins on **September 4**. Please be at the opening session by 8:45 a.m. for a brief meeting before we begin. We have openings for individuals or for whole teams. This is a 100% handicapped league. For information, or to sign up, please call Sid Klotz at 201-280-4542.

## Aquacisers

By Sandy Olsen

Sign up for Aquacisers was May 3. I just can't believe how many people signed up for the class. Classes started on June 5, and we had a good turnout. The weather in the beginning of June wasn't that great, with cool and some rainy days. But in July, with the warmer weather we had some great days of Aquacising, led by Pauline.

Pauline has been leading the Aquacisers for 20 years now. That's right, with her dedication, all the members have been given a good daily workout. We all appreciate her efforts and fortitude. Thank you, Pauline.

This year we were surprised with a gift of a head mike and large speaker for Pauline to use when she is in the water and can be heard all around the pool area. Our thanks to the people responsible for this gift and I know Pauline is very happy with not having to strain to be heard while exercising.

Aquaciser classes ended on August 31. We will all miss our daily work out, and will have to find other means to keep in shape during the winter months.

Our Pizza Party luncheon is Thursday, **September 6**. Sign up has ended. We hope all who signed up for the luncheon will join us for our last meeting and goodbye's for the rest of the year. We look forward to seeing you all again next year for Aquacisers.

# Recreation

As we delight in the last days of summer, nature brings us brilliant blue skies, shorter days and cooler evenings. Trees begin their transformation from deep green colors to hues of amber and gold. Squirrels busily hide acorns and we anticipate the arrival of autumn.

Our fall schedule is packed with activities for everyone. Whether it is attending a concert, taking one of our exciting trips, playing bingo or going to our monthly movie, you will be sure to enjoy yourself!

What better way to say goodbye to summer than with a party? All residents are invited to our End of Summer Party on Friday, **September 7** on the Willow grounds. Enjoy music and dancing to live entertainment. Food trucks will be on site offering a vast array of foods and desserts for purchase. The Willow pool will remain open until 9pm. Our party will be held rain or shine.

As summer comes to an end, please be reminded the Willow and Encore pools will close on Sunday, **September 9**. After enjoying a wonderful summer season, we now look forward to the beauty of autumn.

Our monthly movie on Saturday, **September 15** at 2 p.m. in Willow Hall will feature “*Book Club*.” The lives of four lifelong friends are turned upside down after reading “50 Shades of Grey.” Jane Fonda and Candice Bergen star.

The Sunday Dinner bus will take us to the popular Tuscany Restaurant in Brick on **September 16**. Treat yourself to a day out while leaving the driving to us. Please be reminded tickets at \$4 per person are for the bus only and dinner will be on your own at the restaurant.

U.S. Security will host a mobile shredding unit for use by our residents on Saturday, **September 22** from 9 a.m. to 12 p.m. in the Encore back parking lot. Come by, meet your gate attendants and destroy unneeded sensitive documents in a safe and secure manner. See the ad in this issue for further details.

We are pleased to announce a Health Fair will be held in conjunction with our Annual Flu Shot Program on Thursday, **October 4** and Friday, **October 5** from 9 a.m. to 3 p.m. in Club Encore. Walgreens will be administering flu vaccines. RWJ Barnabas Health will offer a wide variety of health screenings. The LVW Computer Club will be offering useful medical technology for smartphones and computers. Please refer to the flyer in this issue for complete details on this beneficial program open to all residents.

A delightful fall trip will take us to the Brownstone for a fun-filled Bavarian style party on Thursday, **October 11**. The day will include a family-style luncheon, two complimentary drinks and authentic German entertainment. Alex Meixner and his Grammy Award nominated musicians combined with the Alys Schaffer dancers make this an Oktoberfest not to be missed. Purchase your tickets early as this trip is always a sell-out.

We welcome singer/pianist/narrator, Fred Miller on Friday, **October 12** at 1:30 p.m. in Encore when he presents Frank Sinatra. A musical tribute to a unique American entertainer, Fred’s program is punctuated by anecdotes and biographical details drawn from an eventful, legendary life. Moving rapidly from bobby soxer idol to film and recording star, Frank Sinatra attained the rare status of American Icon and his star only shines brighter with the passage of time. Join us for this delightful musical program.

The Recreation Department wishes our residents a happy and safe Labor Day as well as a Happy New Year to those residents celebrating Rosh Hashanah.

# Nature Club

By Greg Prelich

Members enjoying the guided boat tour of Barnegat Bay.

Most of you probably are aware that nearly every month the Nature Club hosts an invited speaker who presents an educational talk on a nature-related subject. These monthly presentations, which span a variety of topics such as birds, plants, insects and nature travel, are enjoyed by all of our members in Willow Hall. But it's even better when nature is experienced in person, not simply in a slideshow. For this reason, our club also sponsors occasional field trips where our members can enjoy first-hand some of the wildlife of NJ, guided by our village experts. For the past few years we have hosted spring bird walks right here in LVW and we have taken annual excursions to Manasquan Reservoir and to Edwin B Forsythe National Wildlife Refuge in Oceanville.

This summer we had two great field trips. On June 29, members participated in our first-ever field trip to Webbs Mills Bog in Forked River, a well-known site to botanists where we viewed rare wild plants of the NJ Pinelands. Here we strolled a 150 yard boardwalk slowly while experienced club members pointed out two species of wild orchids, carnivorous plants such as Sundews, Bladderworts, Pitcher Plants and the endangered and lovely Bog Asphodel, which

was first discovered in NJ. This walk was enjoyed by all and is certain to be on our field trip list again next summer.

On July 9, members enjoyed spectacular weather during our annual 2-hour guided boat tour of Barnegat Bay. We boarded our pontoon boat, skirted the coast of Cattus Island County Park in Toms River where we saw many Ospreys with young in their nests and then crossed the bay to view islands that host many nesting herons, egrets, ibises, gulls and terns. It

was a super day.

Some of our members just enjoy the monthly presentations, while others prefer field trips. We have ideas for new field trips for next year, so if you would enjoy being out in nature with your fellow residents, come to a meeting and ask about our trips.

Our first ever field trip to Webbs Mills Bog in Forked River.

## Financial Information Club

By William Corrigan

Don't stop saving just because you are retired. We should all continue to save some money in retirement. One day you will need to replace some big ticket items like your car, furnace or computer. Be ready for emergencies so there's no need to use your credit card or borrow money from your local bank. Just think how good you feel when you save a few dollars every month.

Wow, July was a busy month. Our condo insurance topic/review attracted much attention as a record number of members and guests attended our monthly meeting. Our guest speaker Steve Meehan of State Farm Insurance, answered many important questions and provided us with valuable information regarding our HO6 Policies. We will continue to update you on this insurance matter as we carry out further research. Again, thank you Walter Dylewski for all your hard work.

Our next membership meeting is **September 18** at 10 a.m. in the Encore Auditorium. Our guest speaker is William R. Fence, Partner with K & R Tax and Financial Service, Inc. in Whiting. Our topic will be "The Complex World of Income Tax Preparation and Planning." Also, as a financial advisor, Mr. Fence will discuss the many areas of financial services.

We welcome several new members who joined our club in July. For those of you who already have Verizon/Fios we hope you are enjoying the new service.

For further information, call William Corrigan at 732-408-6806.

P.S. Did you receive your new Medicare Card?

## LVW BOCCE & SOCIAL CLUB

by Ellen Jenkin

Through the adversity of weather conditions the summer Bocce players have continued the pleasure of play. The Harry Nagel League ran for five weeks during July and August. Members participated on Tuesday morning chaired by Gene Cecora, Tuesday evening led by Al Carnegie and Thursday evening run by Lou Maiocco. The League culminated in a playoff between the first place teams of each section. A special thanks to Bill Bouford, coordinator of this league. The Intervillage Travel Team continued play every Wednesday all summer. A deep appreciation to Bill Bouford and Karen McGinley for their dedication and organization.

At the July meeting the entertainment was our very own Sal Benigno Senior. His voice filled the auditorium with melodious sounds. His medley of songs included "When I Fall in Love with You," "My Kind of Girl," "New York New York" and "My Way." It is always a pleasure to hear Sal entertain. The membership had a wonderful evening.

On July 13 Bocce members, friends and family watched the Lakewood BlueClaws in action. After an exciting ball game the group watched an amazing fireworks display. The evening was lots of fun for everyone. Hats off to Penny Bosco for all her planning.

**Thanks to Al Carnegie for such grand entertainment!**

On July 25 two buses traveled to Atlantic City's Resorts Casino in anticipation of outstanding entertainment and \$25 in slot play. Some left the casino a winner and all seemed to have a very enjoyable day. Thank you to Camille and Gene Cecora for all their hard work planning this event. Another bus trip to Resorts will take place in October.

Even though the Spring Leagues have been completed, the Bocce Club wishes to recognize the winners of the Monday morning Men's League. Team One ended in first place led by Joe Lyness and included Ken Stahl, Larry Robinson, Ray Gabriel, Guy Fasciani and Terry Dipaolo. Placing second was Team Ten Captain Steve Lembro, John Kelly, Joe Cordero, Rob Lomardo, Tom Ferrell and Tony Cocasio. Rounding out the winning teams in third place was Team Three

**Wonderful entertainment by Sal Benigno Senior.**

*Continued on Page 53*

Captain Bill Bouford, John Lavarra, Al Gonzalez, Rico Guerriero, Richard Dworkin and Kevin Murphy. Congratulations to all the teams. A very special thanks to Coordinator Larry Robinson.

Many activities took place in August. Dime on the Polina was played on August 13. The Harry Nagel finals took place on August 23. Our annual Card Party was held on August 16. All who attended had a lovely afternoon. Many prizes were won and a variety of desserts enjoyed by all the participants. A special thanks to Linda Sue Fisher for coordinating this activity, Joy Carmody who assisted her and other volunteers who made the card party a success. The last major event in August was Ladies Night chaired by Ellen Daubner. What a busy month!

September's events and activities include the Twilight League beginning on **September 5**; the general meeting on Friday, **September 7**; Battle of the Sexes on **September 11** and Battle of the States on **September 25**.

Happy Labor Day and enjoy the beginning of fall!

## Veterans Club News

By Cindy Kopp

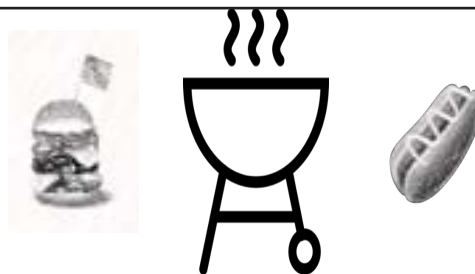

We will be having a fun filled, “Endless Summer” BBQ to help us raise funds to continue our mission to help Veterans through camaraderie, friendship and service on Friday, **September 28** from 2 to 7 p.m. outside Club Encore, weather permitting. If the weather doesn’t cooperate, no worries, we will move inside. The cost is \$10 per person. We will have great summer BBQ food, salads, beverages, dessert, 50/50 and music. If summer must end, we might as well go out with a great party. Watch for our flyer in Willow Hall and Club Encore. For tickets, contact Stan at 732-300-2896 or John at 732-657-1387 or just leave a check in our mailbox in Willow Hall with your contact information, so we can get the tickets to you.

Those who have enjoyed our Spaghetti and Meatball dinner for the last two years, don’t worry. We will be having that in the spring. Word has spread about the great food, music and fun we have had, so we have listened to some of our snowbird friends to move the date to include them in on the fun. Watch out for the date.

We are proud to be members helping Veterans. Want to be part of this worthy endeavor? Our great Veterans deserve anything we can do to show them how much we care. Veterans or anyone just wanting to help Veterans are welcome in our club. We meet at Willow Hall on the second Monday of each month at 7:30 p.m. Come join us for information, camaraderie, friendship and some refreshments. It will be worth it.

VILLAGE WEST ORT - NEW JERSEY REGION  
 Educating for Life -- Organization for Rehabilitation through Training

By Roberta Klotz

### Three Amazing Events! Won't you join us?

Did you know September is Hispanic Heritage Month? Please join ORT celebrating America's diversity with Ocean County Librarian Laurence Krupinski presenting "The Legacy of Jose Limon" at our open general meeting Thursday, **September 6** at 7 p.m. in Club Encore. Ms. Krupinski will discuss the Mexican-born modern dancer and choreographer who influenced the American Modern Dance Movement of the 1930s to the 1960s and will perform excerpts from José Limón's *Missa Brevis* (1958) and *A*

*Choreographic Offering* (1964). And there are always amazing desserts!

This year the evening of September 9 through 11 is the Jewish New Year. ORT wishes those who observe L'Shanah Tova, a Healthy and Happy New Year and an easy fast on Yom Kippur. ORT will be sponsoring the annual community-wide Break-

the-Fast dinner on **September 19** at 5 p.m. in Club Encore. All are invited. This is not a fundraiser, but reservations are a must. Cost is \$10 for adults and \$5 for children under 10. Please contact Phyllis Schwartz at 732-503-2378 or Sandy Kaufman at 732-408-0306 for reservations.

**October 4** brings ORT's 12th Anniversary Fashion Show and Luncheon. Featured will be fall fashions from Macy's, a gift auction, 50/50 and door prizes in addition to a wonderful sit down luncheon in the Versailles Room, Ramada Inn in Toms River make for a wonderful afternoon. Cost is \$27 per person, and tables of 10 are available. Reservations close on September 24, so please contact Penny Peters at 732-408-9099 or Roberta Klotz at 201-981-0512 now.

Mark your calendar to check for more amazing ORT events coming to Club Encore. Sign up for email notices at [www.lvwcreeper.com/ORT](http://www.lvwcreeper.com/ORT) to stay in the loop or join ORT to get our monthly newsletter. For more information, contact Membership Vice-Presidents Kathy Brotman at 732-657-4237 or Ellen Jenkin at 732-657-4411.

# Women's Inside Golf

By Lois Hetfield

Believe it or not, our formal golf tournaments have ended except for September 27 when we host Original Leisure Village here at Willow. We hope you will join us for a fun tournament followed by a brown bag lunch with drinks and dessert supplied by our group. Hopefully, the weather will be cooler by the end of September.

Here are the results of our July 12 Two Blind Holes Tournament. (Where there are ties for first or second there is no third place.)

### Flight A

First Place Marianne Merwede  
 Second Place (tied) Rachel Amorosi, Barbara Bardell, Lillian DeLello, Marge King

### Flight B

First Place Norma Telfer  
 Second Place Anna Horn  
 Third Place Carol Lugie

### Flight C

First Place (tied) Carol Ann Kern, Marge DeLucia  
 Second Place Linda Holzbour

### Birdies

Ruth Daciek, Marianne Merwede, Anna Horn, Avriel Kossoff, Norma Telfer and Fran Cimino

### Closest to the Pin

Avriel Kossoff 1' 6"

Congratulations to our winners!

We did not fare as well weather-wise for our second tournament scheduled for July 26. It was cancelled due to an ominous weather forecast.

Fun Golf on Wednesdays will continue as long as the interest holds and the weather cooperates. Just show up at the Willow Gazebo at 8:30 a.m. if you want to play. You do not have to sign up ahead of time, nor do you have to call anyone if the weather is iffy. The decision is entirely yours. It is a great opportunity to play some extra golf and get to know your fellow golfers without the pressure of a regular tournament.

Thank you to our Committee and all of the captains and their assistants who made these tournaments possible. Please consider helping out next year so we can keep our Ladies' Inside Golf group going. Enjoy the lovely fall weather!

# Golf & Social Club

## Fore Fun

By Susan Comeau

Thanks to Brian McKenna and many volunteers and to you, your family, friends and all the residents of Leisure Village West who participated in the Golf Club's fundraiser on August 27. It was a huge success. Cookies for Kids Cancer received a substantial contribution from the Golf Club thanks to all who so generously contributed. The campaign began with a very successful Bake Sale on July 13. Debbie Tkaczuk and her committee (Serena Villanti, Debbie Sadowski, Fran Maresca, Eileen Brullo, Lillian DeLello and Rachel Amorosi) did a great job. The presentation was lovely and our bakers made hard to resist treats. More on the fundraiser next month.

Our last Holiday Mixer for the season is **September 1**. Come join us at the Willow Golf Course for a relaxed game of golf with old (or new) friends. Anna Horn can be reached at 732-657-4252 to sign up.

Don't miss our **September 12** meeting. Our members are performing in a lip synch talent show following the meeting. Pat and Tom Murray have signed up some amazing "stars" to perform.

Pitch, putt, try for closest to the hole and have a great lunch. You can do it all at the Golf Picnic on **September 22**. Contact Debbie Tkaczuk for tickets at 908-338-3290 or see her at our September 12 meeting.

Didn't win the MegaMillions? You still have a chance to win thousands, up to \$2,000 to be exact. Contact Tom Gnizdowski at 732-740-4682 to buy tickets for the October 10 drawing. You don't have to be at the meeting to win, so buy tickets (\$5) for you, your family and friends. Good luck to all!

### Before Fun

We all had a great time at the Outside Golf Dinner on August 1, thanks to Gloria Joslin and Rachel Amorosi. It's always fun to share good food (it was catered by the Blue Fountain) and good company.

The Hatfields and McCoys had nothing on us. We were "feudin" after the August 8 meeting. Pat and Tom Murray had our members set up in teams to compete in "Family Feud." No blood was shed, but we had a lot of laughs.

The Pig Roast in August was super! Rich Paulos

and his crew really outdid themselves. Playing bocce and shuffleboard helped for those of us who "pigged out." (Sorry, I couldn't resist!)

# Pet Club

By Mary Ann Koeppl

Our guest speakers from S.A.V.E. Rescue Shelter during the July meeting.

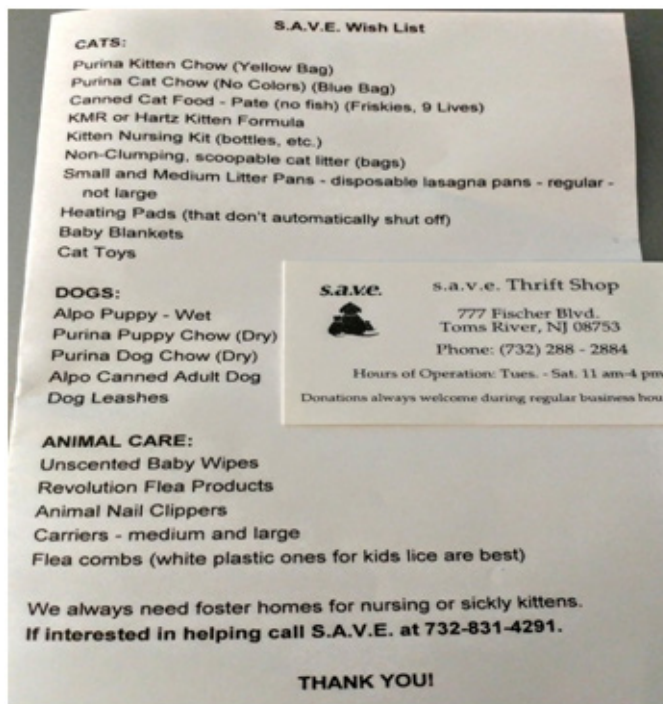

Save the date for our Dog Day Afternoon on **October 13**. There will be lots of prizes. Trophies will be handed out for best pet costume, best obstacle course winner and more. This will be a fun filled afternoon.

Our next meeting is **September 12** at 7 p.m. in Club Encore. We will be discussing the final preparations for our annual event, Dog Day Afternoon.

There was a change in speakers at our July 11 meeting. Our guests were speakers Linda Scott and Charlene Tiger of S.A.V.E (Shore Animal Volunteer Enterprise). This is a nonprofit rescue, "no kill" shelter. They take in unwanted, homeless and abandoned animals, providing medical care and a safe and nurturing environment until they find their forever home. They are strictly maintained by donations.

We encourage new members to sign up and remind

all current members to renew. Dues are only \$5 a year. The Pet Club meets the second Wednesday of each month in Club Encore at 7 p.m. You do not have to own a pet to become a member. You just need to have a love of animals and a need to help those in need with varied fundraising events held throughout the year.

Items in need by the no kill shelter hosted at our meeting.

July meeting attendees.

# The Sociables Club

By Seymour Brotman

Returning for the fourth and final production of its 11th year, The Sociables will present the outstanding, first time only on our stage, "Ed Goldberg International Music Band." Everyone will want to clap, dance, move in their chairs or sing along to familiar melodies played by a three piece band widely known throughout the tri-state area, Armed Forces camps, Kutztown Fair and Carnegie Hall. Ed was part of the Jimmy Sturr band for 25 years.

Doors open at 6:30 p.m. with Showtime at 6:55 p.m. Free admission and complimentary refreshments are limited to LVW residents. Voluntary donations are welcome and a free raffle, courtesy of the Marquee Theatre, will present two winners of two tickets each.

Enjoy music from many ethnic cultures including Gypsy, Russian, Hungarian, American, Klezmer, Roumanian, Israeli, French, Greek, Mexican, Irish, German and Italian. Join in when popular polkas and waltzes will be played.

We will continue in 2019 if we obtain new performers along with veteran entertainers. You need not be a professional (also no rehearsals) but if you can sing, dance, play an instrument, are a comic, magician or story teller we want you. Contact Seymour Brotman at 732-657-4237 or Rose Bello at 732-657-1387. Enjoy the applause of your neighbors and be a star again or for the first time.

## Fishing Club

By Jim Larsen

The Fishing Club will hold its first ever Willow Lake Fishing Tournament for members only on **September 13**. Hurry and check in to get your membership for the amazingly low cost of \$5. Contestants will meet and sign in at Willow Lake. Bring your own bait and poles. We'll be fishing from the gazebo and banks (no boating) from 10 a.m. until 12 p.m. Prizes will be awarded for the largest caught and most caught, fish of course. Catch and release is still in effect so the fisherman's honesty will be the rules. If that isn't exciting enough, after the tournament there will be a BBQ from 12 to 4 p.m. on the Willow's patio. Tickets will be sold in advance for \$8 per person. If you wish, bring a dish to share. The club will supply the hot dogs, hamburgers and soda.
